DETAILED PROJECT DESCRIPTION

Please provide a detailed summary of your proposal below. This should include a detailed description of the proposed use and reason for rezoning, how this use is compatible with surrounding land uses and the City's Comprehensive Plan, and any other details relevant to your request. Feel free to attach additional pages, concept plans, etc. as needed.

For PD or CUP requests, please explain why your proposal cannot be accommodated by standard zoning districts, clarify if any waivers are being requested and why, and detail any changes from previously approved site plans or development standards.

The Commercial. Development on the property at 1405 Weiler includes a liquor store while the property at 1409 Weiler is vacant with the potential for redevelopment where a building was previously demolished.

The residential neighborhood that adjoins this property to the south has expressed concerns about the scale and intensity of allowed uses. The Future Land Use Map designates this property as "Neighborhood Commercial". The Comprehensive Plan policies for this sector include promoting appropriate infill on old commercial sites within developed areas and encouraging new development in character with the existing neighborhood scale.

The proposed zoning for this property is "ER" Neighborhood Commercial Restricted. "ER" zoning would prohibit alcohol sales and limit the height to 35 feet. It should be noted that any existing conforming uses that do not comply with "ER" zoning would become nonconforming — meaning they could continue to operate as long as the operations do not cease for more than two years. Council Member Jeanette Martinez has notified the affected property owners of the proposed zoning change from "E" Neighborhood Commercial to "ER" Neighborhood Commercial Restricted.
