

2024 Stormwater Utility Fee Increase

will be effective January 1, 2024 and will appear on your water bill

The utility fee provides funding to fulfill our Mission to *Protect People & Property from Harmful Stormwater Runoff in the following ways:*

Benefits	
Reduce flooding and emergency response	✓
More effective Asset Management	✓
Increases maintenance service levels reducing the need for costly capital projects	✓
Improve public safety & quality of life	✓
Save the City & residents money	✓

Impact for Rate Payers
