- Assistant City Attorney Christopher Austria stated that in regards to ownership, it does not necessary effect what can be done by the City in regard to the order. - Mr. Schur stated that in the cases of a deceased owner he tries to be mindful of that, and often makes his decision based on their testimony of the intentions of the person giving testimony.
- Mr. Lindsay stated that he will consider that as well as evidence by the neighbors.
- Mr. Unell wanted clarification about Commissioners "giving testimony" and wants to know the best way to communicate to an owner that they understand what is being asked of them. Mr. Austria replied that as long as it is asked as a question it would be fine, but rather than explaining it should they not understand, try to ask what specific things were they not clear on, and direct them to ask specific questions to the Code Officer.
