

FORT WORTH BOTANIC GARDEN BOTANICAL RESEARCH INSTITUTE OF TEXAS

MASTER PLAN PRESENTATION
Fort Worth City Council Work Session
January 24, 2023

KEY GOALS FOR FWBG | BRIT MASTER PLAN

1. An **inclusive**, clearly defined and **easily shared vision** and mission **embracing the strengths and assets** of both institutions
2. **Sustainable** buildings and landscapes demonstrating **locally adapted development** and how to achieve it
3. Design concepts and site elements that **celebrate both institutions** and bring them together into a **unified, cohesive campus**
4. A **strong foundation** for programming that **supports** the mission, **improved** guest experience, and **growth** in generated revenue
