# 2021 Fort Worth Community Survey GIS Maps

Presented to the City of Fort Worth, Texas Fall 2021

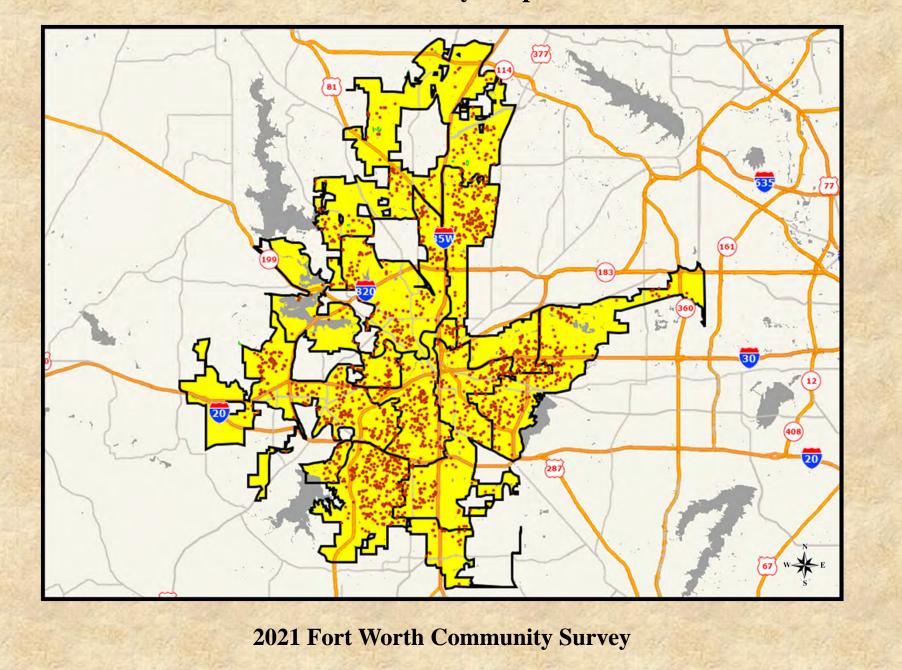

## **Interpreting the Maps**

The maps on the following pages show the mean ratings for several questions on the survey by Council District. If all areas on a map are the same color, then residents generally feel the same about that issue regardless of the location of their home.

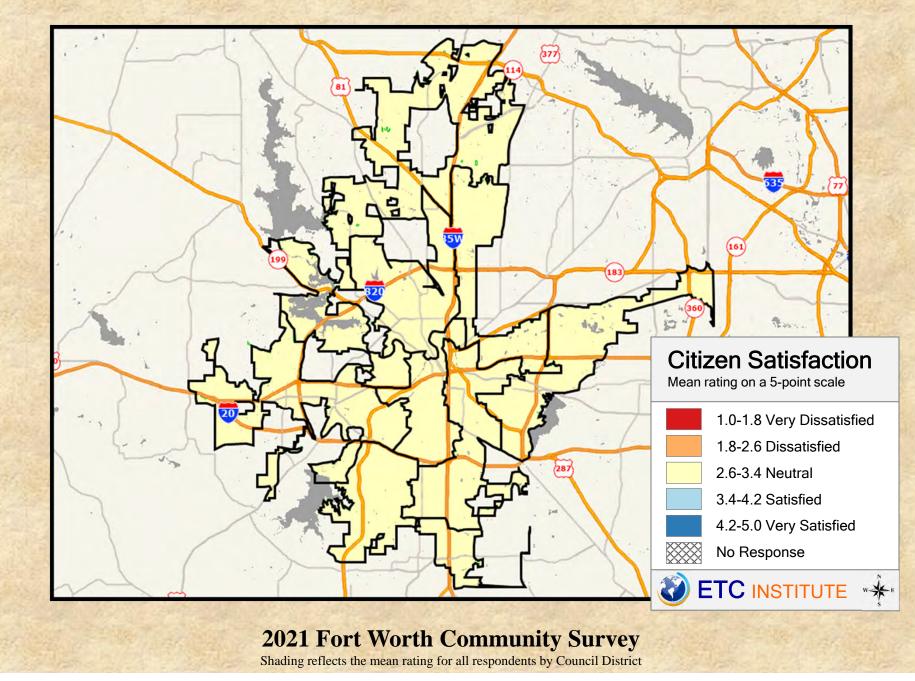

When reading the maps, please use the following color scheme as a guide:

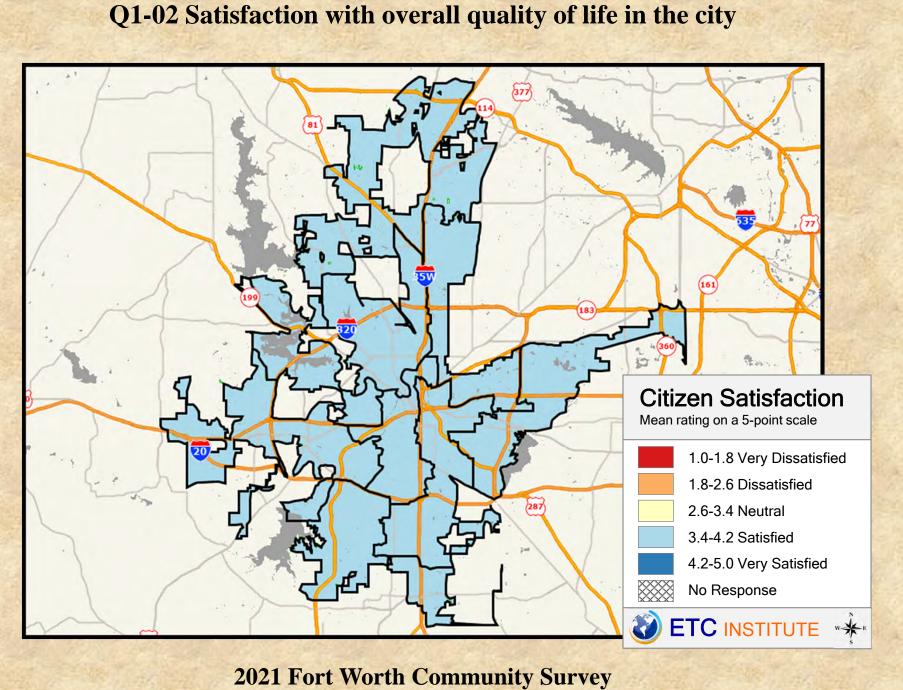

- DARK/LIGHT BLUE shades indicate <u>POSITIVE</u> ratings. Shades of blue generally indicate satisfaction with a service, ratings of "excellent" or "good" and ratings of "very safe" or "safe."
- OFF-WHITE shades indicate <u>NEUTRAL</u> ratings. Shades of neutral generally indicate that residents thought the quality of service delivery is adequate.
- ORANGE/RED shades indicate <u>NEGATIVE</u> ratings. Shades of orange/red generally indicate dissatisfaction with a service, ratings of "below average" or "poor" and ratings of "unsafe" or "very unsafe."

### **Location of Survey Respondents**

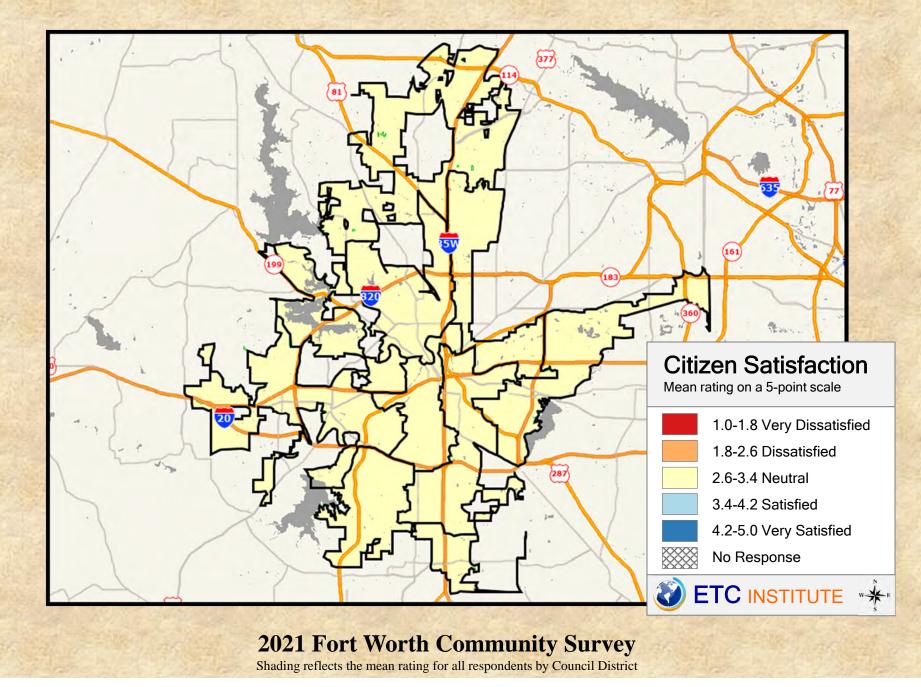

#### Q1-01 Satisfaction with overall value received for city tax dollars and fees

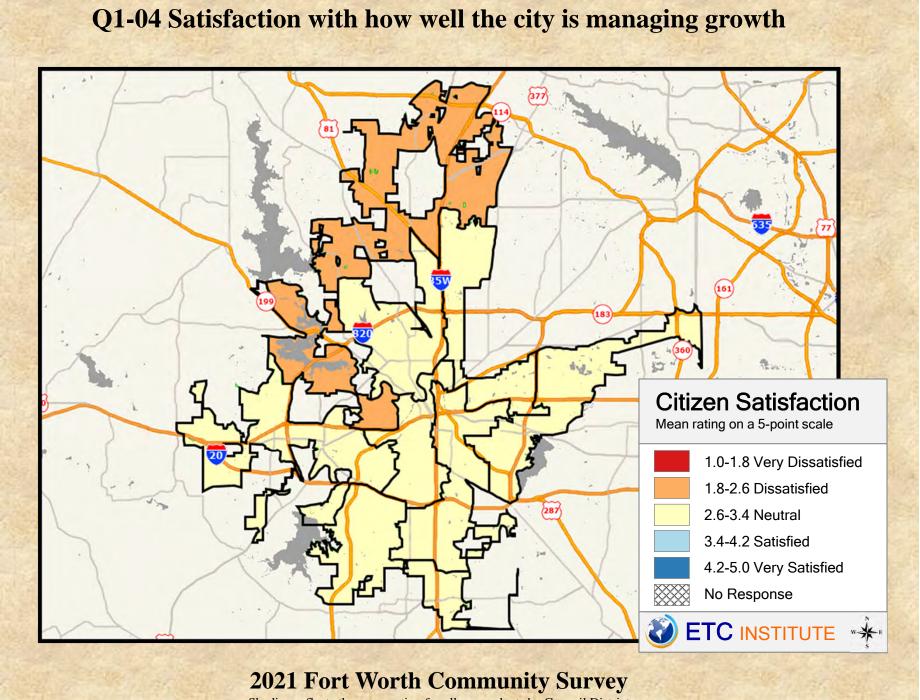

Shading reflects the mean rating for all respondents by Council District
