How do I obtain the Historic Site Tax Exemption?

The Historic Site Tax Exemption (HSTE) involves a two-part process that requires approval by the Historic Preservation Officer before the project is started, and final verification by the HCLC and the City Council upon completion of the project. The Tax Exemption will go into effect January 1st of the year following City Council verification. The Tax Exemption freezes the taxable ceiling of the land and improvements at the pre-renovation values for the purpose of assessing City of Fort Worth taxes. The exemption period is ten (10) years. Application to the Tarrant Appraisal District must be made by the property owner each year of the exemption.

Eligibility for the Tax Exemption requires that an investment equal to or greater than 20% of the assessed valuation of the improvements be spent on rehabilitation. The HPO or HCLC must approve all work requiring a Certificate of Appropriateness in advance. An application for a historic site tax exemption must be received and approved by the HPO **prior to the commencement** of treatment to be eligible to receive the historic site tax exemption. Failure to meet this requirement will bar eligibility for a historic site tax exemption.

Step 1: Partial Approval

An application may initiate the application process for a historic site tax exemption by submitting a fully completed and signed application to the HPO. The application for a historic site tax exemption must be submitted prior to commencement of treatment. An application for a historic site exemption may be processed concurrently with an application for any COA for the same structure. Once an application for a historic site tax exemption is deemed complete by the HPO, the HPO will send the property owner a letter that sets forth the date that the HPO determined the application to be complete, the base-year taxable value, the projected term of the historic site tax exemption, and the deadline for completion of substantial treatment.

Step 2: Verification

Upon completion of the stabilization or rehabilitation project, the applicant shall return the documents listed on the HSTE page of the application to the HCLC for verification. If the verification of completion is favorable, the HCLC shall forward your application to the City Council for verification approval. Once verified, City staff notifies the Tarrant Appraisal District of the tax exemption to begin on January 1 of the following year.

If the verification of completion is unfavorable, you shall be required to complete the project in order to secure the HSTE; your application will be returned for consideration of approval after all work has been completed.

NOTE: Upon verification of the HSTE, a signed and notarized copy of the City of Fort Worth form "Notice of Historic Site Tax Exemption" shall be filed in the office of the Tarrant County Clerk before the City shall grant the HSTE.
