

**WAIVER FOR GAS WELL WITHIN 600 FEET OF A SCHOOL  
WITHIN THE CITY OF FORT WORTH**

\_\_\_\_\_ School District (District) is the owner of real property located at \_\_\_\_\_, Fort Worth, Texas, more particularly shown on the map of record in Volume \_\_\_\_\_, Page \_\_\_\_\_, Plat records of \_\_\_\_\_ County, Texas or per Tax Tract Number \_\_\_\_\_, \_\_\_\_\_ County, Texas and described as Block \_\_\_\_\_, Lot \_\_\_\_\_ in the \_\_\_\_\_ Subdivision. The District understands the current Gas Drilling Ordinance of the City of Fort Worth requires that a Permit shall not be issued for any well to be drilled within six-hundred (600) feet from any residence, religious institution, hospital building, school property line, or public park property line without a waiver granted by the City Council after notice and public hearing, or the written consent from all the Protected Use property owners within six-hundred (600) feet of the well filed in the applicable county deed records.

By this waiver, the District hereby grants to \_\_\_\_\_ permission to drill one or more gas wells closer than six-hundred (600) feet to the school property line but in any event, the gas well bore may not be located any closer than \_\_\_\_\_ feet to the property line as measured in a straight line, without regard to intervening structures or objects.

If the well is to be located on school property, the District hereby grants to \_\_\_\_\_ permission to drill one or more wells closer than six-hundred (600) feet to the school building, but in any event, the gas well bore may not be located any closer than \_\_\_\_\_ feet to any school building on the property as measured in a straight line, without regard to intervening structures or objects, to the closest exterior point of the building.
