2. Overview of GDRC Agenda. Full Transcription of the recorded meeting is below:

We will begin our Gas Drilling Review Committee for August; we have one item on the agenda today. The Gas Drilling Review Committee role with transportation routes is just to make recommendations on the acceptability of the proposed route. The first item on the agenda is the Fossil Hill Transportation Route.

Devon Energy – LBJ

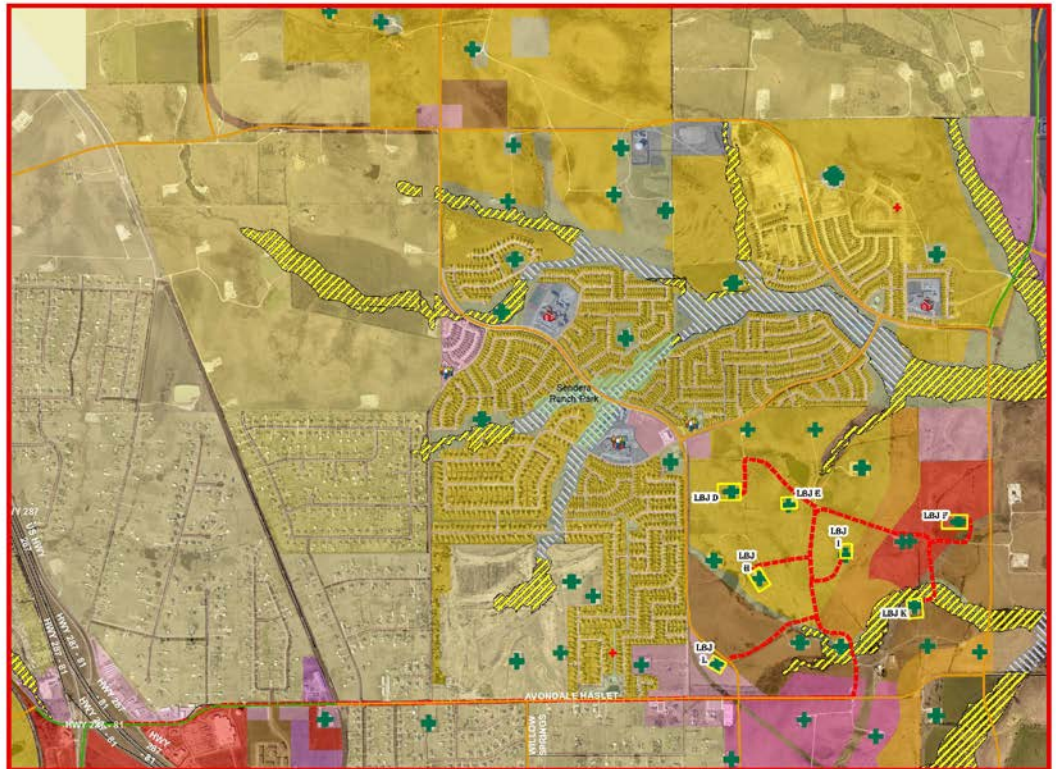

Laura Anderson, with Devon Energy Corporation, presented the transportation routes to the LBJ leases, these are existing routes, because Devon is applying for a multiple pad site, the committee reviews them.

There were no objections from the Committee to these existing routes, and no citizens showed up to speak in opposition.
