<b>Work Description:</b>	NEW SFR/REPERMIT OF EXPIRED PERMIT PB18-07576/ This property was being developed by R3 REscm, they went bankrupt. The investor Katherine asked me to help finalize the project and get the coa so the home could be sold. The home is done except for HVAC final and building final. However, Jimmy was not able to renew the permit for the building portion for the HVAC to get a final on Hvac. The home was remodeled and the windows were approved by the historical society years ago. City of Fort worth has all the plans and drawings. It has a new roof, the plumbing has been green tagged and finalized. I met with Inspector Jose for electrical and thought it was green tagged and finalized but I see it was not finalized. I will need to get with him to find out what is going on. I did not see a code violation and met him there 2 times for final.						<b>Issued :</b> 12/11/2020
