NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FORT WORTH, TEXAS THAT:

SECTION 1.

The Public Hearing is hereby closed and any and all protests and objections, whether herein enumerated or not, are hereby overruled. The Recitals and findings listed above are true and correct and form the basis upon which this Ordinance is being adopted and are incorporated herein by reference.

SECTION 2.

The City Council hereby approves and adopts the Service and Assessment Plan and Assessment Roll (to be kept on file with the City Secretary). In doing so, the City Council finds that the supplemental services and improvements set forth in the Service Plan are feasible and advisable and will serve the needs and desires of the property owners in the District.

SECTION 3.

The City Council, from all evidence before it, including all information provided to it and considered in the Public Hearing, finds that the assessments herein described should be made and levied against the respective parcels of privately-owned property in the District and against the owners of such property and that a corresponding payment in lieu of assessment should be made for City-owned property. Such assessments and charges are right, proper, and substantially in proportion to the benefits of the respective parcels of property by means of the improvements and services in the District for which such assessments are levied and establish substantial justice, equality, and uniformity between all parties concerned, considering the benefits received and burdens imposed. The City Council further finds that in each case the property assessed is specially benefited in enhanced value to the said property by means of the Improvements in the District and for which assessment is levied and charge made, and further finds that the apportionment of the cost of the Improvements is in accordance with applicable law. The City Council, from the evidence, further finds that the values of the respective parcels of property on January 1, 2021, are true and correct reflections of the information contained in the records of the relevant appraisal district.

SECTION 4.

There is hereby levied and assessed against the parcels of privately-owned property in the District, and against the real and true owners thereof (whether such owners be correctly named herein or not), the sums of money itemized per parcel of property, and the owners thereof, as far as such owners are known, at the following rate and method of payment: $0.115 per each $100 of value for property subject to assessment. As it concerns any City-owned property within the District, the City will contribute a payment-in-lieu-of-assessment that is based on the same rate as the privately-owned property in the District.

SECTION 5.

Where more than one person or entity owns an interest in any property described herein, each such person or entity will be personally liable only for its, his, or her pro rata share of the total assessment against such property in proportion to its, his, or her respective interest to the total ownership of such property, and its,

Ordinance No. 25075-09-2021
his, or her respective interest in such property may be released from the assessment lien upon payment of a proportionate sum.

SECTION 6.

The several sums above mentioned and assessed against the said parcels of property, and owners thereof, and penalty and interest thereon at the rate prescribed by Chapter 372, Texas Local Government Code ("Public Improvement District Assessment Act"), together with reasonable attorney’s fees and cost of collection, if incurred, are hereby declared to be and are made a lien upon the respective parcels of privately-owned property against which the same are assessed, and a personal liability and charge against the real and true owners of such property, whether such owners be correctly named herein or not, and such liens shall be and constitute the first enforceable lien and claim against the property on which such assessments are levied, and will be a first and paramount lien thereon, superior to all other liens and claims, except state, county, school district and city ad valorem taxes. A copy of this ordinance will be filed with the County Clerk of Tarrant County, Texas, and when so filed constitutes complete and adequate legal notice to the public concerning the liens hereby assessed against the respective parcels of property and the owners thereof.

The sums so assessed against the respective parcels of property and the owners thereof become due and payable on or before January 31, 2022, and become delinquent if not paid by February 1, 2022. The entire amount assessed against each parcel of property bears penalty and interest, from and after February 1, 2022 at the same rate as prescribed by law for any delinquent ad valorem tax until paid.

SECTION 7.

If default is made in the payment of any assessments, collection thereof will be enforced by suit in any court of competent jurisdiction, and said City may exercise all of its lawful powers to aid in the enforcement and collection of said assessments.

SECTION 8.

The total amount assessed against the respective parcels of property, and the owners thereof, is in accordance with the proceedings of the City hereto and is less than the proportion of the cost allowed and permitted by applicable law.

SECTION 9.

Although the aforementioned charges have been fixed, levied, and assessed in the respective amounts herein stated, the City Council hereby reserves the right to reduce the aforementioned assessments by allowing credits to certain property owners where deemed appropriate and provided that any such allowance does not result in any inequity or unjust discrimination.

SECTION 10.

Full power to make and levy reassessments and to correct mistakes, errors, invalidities or irregularities in the assessments are, in accordance with the law in force in this City, vested in the City.

SECTION 11.

In any suit upon any assessment or reassessment, it will be sufficient to allege the substance of the provision recited in this ordinance and that such recitals are in fact true, and further allegations with reference
to the proceedings relating to such assessment and reassessment shall not be necessary.

SECTION 12.

Should any portion, section or part of a section of this Ordinance be declared invalid, inoperative, or void for any reason by a court of competent jurisdiction, such decision, opinion or judgment shall in no way impair the remaining portions, sections, or parts of sections of this Ordinance, which shall remain in full force and effect.

SECTION 13.

This Ordinance is cumulative of all other ordinances and appropriations amending the same except in those instances where the provisions of this Ordinance are in direct conflict with such other ordinances and appropriations, in which instance said conflicting provisions of said prior ordinances and appropriations are hereby expressly repealed.

SECTION 14.

The City Secretary is directed to cause a copy of this Ordinance to be recorded in the real property records of Tarrant County, Texas no later than the seventh (7th) day after the adopted date of this Ordinance.

SECTION 15.

This Ordinance takes effect and will be in full force and effect from and after the date of its passage.

AND IT IS SO ORDAINED.

Fiscal Year 2021-2022 Budget

The total budgeted costs of the improvements and services for the District for fiscal year 2021-2022 are $3,225,658.00. Of this amount, $2,554,208.00 will be funded by assessments collected on privately-owned parcels located in the District. The remainder of the costs will be funded by other revenue sources, including:

- $295,395.00 in direct payments from the City in accordance with Section 372.014(b) of the Texas Local Government Code, which amount will be a payment in lieu of assessments and will be appropriated from the General Fund balance by City Council action on September 21, 2021. This amount is arrived at by multiplying the appraised value of City property within the District by the overall assessment rate of $0.115 per $100 of value as of January 1, 2021;
- $161,755.00 in direct payments from the City for payment in lieu of services, which will be appropriated from the General Fund balance by City Council action on September 21, 2021;
- $153,772.00 in revenues generated by District activities; and
- $60,528.00 transferred from the unaudited, unassigned fund balance.
ASSESSMENT PLAN

The cost of each improvement and service provided during a fiscal year will be assessed against real property within the District benefitting from such improvement or service based on the value of such property, including the value of structures and other improvements on the property as determined by the applicable appraisal district. No annual assessment during the term of the District will exceed $0.14 per $100 of appraised value of real property and improvements, unless otherwise approved by law.

The City will levy and assess against the parcels of privately-owned property in the District, and against the real and true owners thereof, the sums of money itemized per parcel of property, and the owners thereof, as far as such owners are known, at the following rate and method of payment: $0.115 per each $100 of value for property subject to assessment. As it concerns any City-owned property within the District, the City will contribute a payment-in-lieu-of-assessment that is based on the same rate as the privately-owned property in the District. The current names and addresses of the properties that are subject to assessment, along with the ordinance levying such assessments, are on file with the City Secretary of the City of Fort Worth. Payment of assessments by other exempt jurisdictions must be established by contract.

DISCUSSION:

On June 23, 2009, the Mayor and City Council adopted Resolution No. 3756-06-2009 re-establishing Fort Worth Public Improvement District 1 - Downtown (Downtown PID)

The purpose of this benefit hearing is to receive comments from the public regarding the Fiscal Year 2021-2022 budget and five-year service plan for the Downtown PID and the proposed assessments to be levied on each property in the Downtown PID for the 2021 tax year. Following the public hearing, it is recommended that the City Council take the following actions: adopt the attached ordinances (1) approving and adopting the budget, five-year service plan, assessment plan, and assessment roll; (2) levying the proposed assessments; and (3) appropriating funds.

The improvements and services to be provided in the Downtown PID during the Fiscal Year 2022 and the costs thereof are as follows:

The total budgeted costs of the improvements and services are $3,225,658.00. Of this amount, $2,554,208.00 will be funded by assessments collected on privately-owned parcels located in the Downtown PID by applying a rate of $0.115. The remainder of the costs in the amount of $610,922.00 will be funded by other revenue sources including: (a) $295,395.00 in direct payments from the City for Payment In-Lieu of Assessments, which are calculated at the same rate as the privately-owned parcels, (b) $161,755.00 in direct payments from the City for Payment In-Lieu of Services, (c) $153,772.00 in revenues generated by Downtown PID activities, and (d) $60,528.00 transferred from the unaudited, unassigned fund balance.

For Fiscal Year 2020-2021 (tax year 2020) the Downtown PID levied an assessment of $0.105 per $100.00 of property value. The PID net taxable value declined $211,936.00, or 8.10%, requiring the assessment rate to be increased by $0.01 to maintain current levels of service. The Downtown PID has also experienced a shortfall in projected budgeted revenue during the past five-years due primarily to the number of properties still under protest at the Appraisal Review Board (ARB) when budgets were approved. This has caused the Downtown PID’s reserve levels to fall below the City’s targets. City staff has included an assumed collection rate of 3% in the levy calculation to more accurately estimate projected revenues. This change effectively reduces projected revenues to accommodate for the levy variances due to protests at the appraisal district. Therefore, the recommended Fiscal Year 2021-2022 (tax year 2021) assessment rate is $0.115 per $100.00 of taxable property value.

On September 14, 2021, the City Council conducted a public hearing to receive comments on the proposed 2021-2022 Fiscal Year budget, five-year service plan, and 2021 assessments for the Downtown PID. Notice of the September 14, 2021, benefit hearing and this hearing were published in the Fort Worth Star-Telegram and mailed to all owners of property on record in the Downtown PID on August 27th, 2021 in accordance with state law. The Downtown PID advisory board recommended approval of the budget.

The Downtown PID is located in COUNCIL DISTRICT 9.

FISCAL INFORMATION / CERTIFICATION:

The Director of Finance certifies that upon approval of the above recommendations and the adoption of the Fiscal Year 2021-2022 Budget by the City Council, funds will be available in the Fiscal Year 2022 operating budget, as appropriated, of the FW PID #1 - Downtown Fund. Prior to any expenditure being incurred, the Financial Management Services Department has the responsibility to validate the availability of funds.
