Sec. 372.013. SERVICE PLAN. (a) The advisory body shall prepare an ongoing service plan and present the plan to the governing body of the municipality or county for review and approval. The governing body may assign responsibility for the plan to another entity in the absence of an advisory body.

(b) The plan must cover a period of at least five years and must also define the annual indebtedness and the projected costs for improvements. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements.

(b) Cost of an improvement may be assessed:

(1) equally per front foot or square foot;

(2) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or

(3) in any other manner that results in imposing equal shares of the cost on property similarly benefitted.

(c) The governing body may establish by ordinance or order:

(1) reasonable classifications and formulas for the apportionment of the cost between the municipality or county and the area to be assessed; and

(2) the methods of assessing the special benefits for various classes of improvements.

(d) The amount of assessment for each property owner may be adjusted following the annual review of the service plan.

Sec. 372.016. ASSESSMENT ROLL. (a) After the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll.

The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.

(b) The governing body shall file the proposed assessment roll with the municipal secretary or other officer performing the functions of the municipal secretary or in a district formed by a county, the county tax assessor-collector. The proposed assessment roll is subject to public inspection. The governing body shall require the municipal secretary or other officer or county tax assessor-collector to publish notice of the governing body's intention to consider the proposed assessments at a public hearing. The notice must be published in a newspaper of general circulation in the municipality or county before the 10th day before the date of the hearing. If any part of the improvement district is located in the municipality's extraterritorial jurisdiction or if any part of the improvements is to be undertaken in the municipality's extraterritorial jurisdiction, the notice must also be published, before the 10th day before the date of the hearing, in a newspaper of general circulation in the part of the extraterritorial jurisdiction in which the district is located or in which the improvements are to be undertaken. The notice must state:

- (1) the date, time, and place of the hearing;
- (2) the general nature of the improvement;
- (3) the cost of the improvement;
- (4) the boundaries of the assessment district; and
- (5) that written or oral objections will be considered at the hearing.

(c) When the assessment roll is filed under Subsection (b), the municipal secretary or other officer shall mail to the owners of property liable for assessment a notice of the hearing. The notice must contain the information required by Subsection (b) and the secretary or other officer shall mail the notice to the last known address of the property owner. The failure of a property owner to receive notice does not invalidate the proceeding.

Sec. 372.017. LEVY OF ASSESSMENT. (a) At or on the adjournment of the hearing referred to by Section 372.016 on proposed assessments, the governing body of the municipality or county must hear and pass on any objection to a proposed assessment. The governing body may amend a proposed assessment on any parcel.

(b) After all objections have been heard and the governing body has passed on the objections, the governing body by ordinance or order shall levy the assessment as a special assessment on the property. The governing body by ordinance or order shall specify the method of payment of the assessment. The governing body may provide that assessments be paid in periodic installments, at an interest rate and for a period approved by the governing body. The provision that assessments be paid in periodic installments may, but is not required to, result in level annual installment payments. The installments must be in amounts necessary to meet annual costs for improvements and must continue for:

(1) the period necessary to retire the indebtedness on the improvements; or

(2) the period approved by the governing body for the payment of the installments.

16, 2001.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. [320](#), Sec. 1, eff. June 19, 2009.

Sec. 372.018. INTEREST ON ASSESSMENT; LIEN. (a) An assessment bears interest at the rate specified by the governing body of the municipality or county beginning at the time or times or on the occurrence of one or more events specified by the governing

body. If general obligation bonds, revenue bonds, time warrants, or temporary notes are issued to finance the improvement for which the assessment is assessed, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Interest on the assessment between the effective date of the ordinance or order levying the assessment and the date the first installment is payable shall be added to the first installment. The interest on any delinquent installment shall be added to each subsequent installment until all delinquent installments are paid.

(b) An assessment or reassessment, with interest, the expense of collection, and reasonable attorney's fees, if incurred, is:

(1) a first and prior lien against the property assessed;

(2) superior to all other liens and claims except liens or claims for state, county, school district, or municipality ad valorem taxes; and

(3) a personal liability of and charge against the owners of the property regardless of whether the owners are named.

(c) The lien is effective from the date of the ordinance or order levying the assessment until the assessment is paid.

(d) The lien runs with the land and that portion of an assessment payment that has not yet come due is not eliminated by foreclosure of an ad valorem tax lien.

(e) The assessment lien may be enforced by the governing body in the same manner that an ad valorem tax lien against real property may be enforced by the governing body. Foreclosure of accrued installments does not eliminate the outstanding principal balance of the assessment. Any purchaser of the property in foreclosure takes the property subject to the assessment lien and any associated obligations.

(f) Delinquent installments of the assessment shall incur interest, penalties, and attorney's fees in the same manner as delinquent ad valorem taxes. The owner of assessed property may pay at any time all or any part of the assessment, with interest that has accrued on the assessment, on any lot or parcel.

Amended by:

Acts 2009, 81st Leg., R.S., Ch. [320](#), Sec. 2, eff. June 19, 2009.

Sec. 372.019. SUPPLEMENTAL ASSESSMENTS. After notice and a hearing, the governing body of the municipality or county may make supplemental assessments to correct omissions or mistakes in the assessment relating to the total cost of the improvement. Notice must be given and the hearing held under this section in the same manner as required by Sections 372.016 and 372.017.

Amended by Acts 2001, 77th Leg., ch. 1341, Sec. 17, eff. June 16, 2001.

Sec. 372.020. REASSESSMENT. The governing body of the municipality or county may make a reassessment or new assessment of a parcel of land if:

- (1) a court of competent jurisdiction sets aside an assessment against the parcel;
- (2) the governing body determines that the original assessment is excessive; or
- (3) on the written advice of counsel, the governing body determines that the original assessment is invalid.

Amended by Acts 2001, 77th Leg., ch. 1341, Sec. 18, eff. June 16, 2001.

Sec. 372.021. SPECIAL IMPROVEMENT DISTRICT FUND. (a) A municipality or county that intends to create a public

improvement district may by ordinance or order establish a special improvement district fund in the municipal or county treasury.

(b) The municipality or county annually may levy a tax to support the fund.

(c) The fund may be used to:

(1) pay the costs of planning, administration, and an improvement authorized by this subchapter;

(2) prepare preliminary plans, studies, and engineering reports to determine the feasibility of an improvement; and

(3) if ordered by the governing body of the municipality or county, pay the initial cost of the improvement until temporary notes, time warrants, or improvement bonds have been issued and sold.

(d) The fund is not required to be budgeted for expenditure during any year, but the amount of the fund must be stated in the municipality's or county's annual budget. The amount of the fund must be based on an annual service plan that describes the public improvements for the fiscal year.

(e) A grant-in-aid or contribution made to the municipality or county for the planning and preparation of plans for an improvement authorized under this subchapter may be credited to the special improvement district fund.

Amended by Acts 2001, 77th Leg., ch. 1341, Sec. 19, eff. June 16, 2001.

Sec. 372.022. SEPARATE FUNDS. If bonds are issued, a separate public improvement district fund shall be created in the municipal or county treasury for each district. Proceeds from the sale of bonds, temporary notes, and time warrants, and other sums appropriated to the fund by the governing body of the municipality or county shall be credited to the fund. The fund may be used solely to pay costs incurred in making an improvement. When an improvement is completed, the balance of

the part of the assessment that is for improvements shall be transferred to the fund established for the retirement of bonds.

Sec. 372.023. PAYMENT OF COSTS. (a) The cost of an improvement made under this subchapter must be paid in accordance with this section.

(b) A cost payable by the municipality or county as a whole may be paid from general funds available for the purpose or other available general funds.

(c) A cost payable from a special assessment that has been paid in full shall be paid from that assessment.

(d) A cost payable from a special assessment that is to be paid in installments and a cost payable by the municipality or county as a whole but not payable from available general funds or other available general improvement funds shall be paid:

(1) under an installment sale contract or a reimbursement agreement with the person who contracts to install or construct the improvement for which the costs apply;

(2) as provided by a temporary note or time warrant issued by the municipality or county to reimburse a person for money advanced or work performed in connection with an improvement; or

(3) by the issuance and sale of revenue or general obligation bonds.

(e) The net effective interest rate, as computed for a public security under Section 1204.005, Government Code, on money owed or paid under Subsection (d) may not exceed one-half of one percent above the highest average interest rate reported by a newspaper in a weekly bond index in the month before the date of the contract or agreement or the issuance of the bond,

temporary note, or time warrant. The newspaper must specialize in bonds and be acceptable as a reliable source for bond interest rates to the governing body of the municipality or county that enters into the contract or agreement or that issues the bond, temporary note, or time warrant.

(f) While an improvement is in progress, the governing body of the municipality or county, to pay the costs of the improvement, may issue temporary notes for money advanced or time warrants to pay for work performed in connection with the improvement and, on completion of the improvement, issue revenue or general obligation bonds. The bond proceeds may be used to repay the obligations incurred under this subsection.

(g) The cost of more than one improvement may be paid:

(1) from a single issue and sale of bonds without other consolidation proceedings before the bond issue; or

(2) under an agreement with a person who contracts to install or construct the improvement and who sells the improvement to the municipality or county.

(h) The costs of any improvement include interest payable on a temporary note or time warrant and all costs incurred in connection with the issuance of bonds under Section 372.024 and may be included in the assessments against the property in the improvement district as provided by this subchapter.

Sec. 372.024. GENERAL OBLIGATION AND REVENUE BONDS. General obligation bonds issued to pay costs under Section 372.023(d) must be issued under the provisions of Subtitles A and C, Title 9, Government Code.
