## 2.3 MINORITY BUSINESS ENTERPRISE (MBE) UTILIZATION REQUIREMENTS

The City of Fort Worth implemented the Business Diversity Enterprise (BDE) Ordinance to reflect the City's availability and disparity study findings. All proposers shall note that it is the policy of the City to ensure the full and equitable participation of Minority Business Enterprises (MBEs) in the procurement of services \$50,000 or more. This Request for Proposal consists of a MBE goal.

The **Minority Business Enterprise (MBE)** diverse goal is **5%**.

The information shall be submitted with the proposal and shall include:

- The company name, address, point of contact, email address, office and fax telephone numbers of the MBE subcontractors and suppliers;
- A detailed description of the work to be performed or supplied by each MBE;
- The tier level, i.e., 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, etc. (if other than 1<sup>st</sup> tier, the plan must clearly identify the firm name and tier from whom the MBE firm will be receiving payment)
- The sub-contract value or percentage of work for each MBE participant;
- State the MBE percentage level of commitment achieved; and
- Provide the same identification information for all non-MBE participants

It is important to note that only MBE subcontractors and suppliers that perform a commercially useful function may count towards the 25% MBE diverse goal. If the Proposer is certified as a DBE, MBE, SBE or WBE firm, it is not permissible to count itself or its subsidiary-owned companies towards the established goal; the goal represents subcontracting opportunities.

Proposers **must** obtain MBE listings from the City of Fort Worth's M/WBE Office at (817) 212-2674 or email [mwbeoffice@fortworthtexas.gov](mailto:mwbeoffice@fortworthtexas.gov). This will ensure that Proposers are acknowledging MBE firms currently certified by the North Central Texas Regional Certification Agency (NCTRCA) or other certifying agencies that the City may deem appropriate and accepted by the City of Fort Worth at the time proposals are submitted, in order for the participation to be counted towards the established diverse goal. The firms must be located in the City's six (6) county geographic marketplace that includes the counties of: Tarrant, Dallas, Denton, Johnson, Parker and Wise. Also note if a firm is DBE certified that reflects minority ownership and meets the criteria's stated, it may count towards the goal.

If an Offeror (regardless of certification status or if a non-D/M/W/MBE), however, forms a joint venture with one or more MBEs, the MBE joint venture percentage participation will be counted towards the established goal. The appropriate City of Fort Worth Joint Venture form must be submitted for review and approval in order for it to be counted. The City of Fort Worth strongly encourages joint ventures.

If Offeror failed to meet the stated MBE goal, in part or in whole, then a detailed

explanation must be submitted to explain the Good and Honest Efforts your firm made to secure MBE participation.

Failure to submit the MBE participation information or the detailed explanation of the proposer's Good and Honest Efforts to meet or exceed the stated MBE goal, may render the proposal non-responsive.

**The MBE commitment will be part of the final weighted selection criteria.**

---

The undersigned acknowledges the City's MBE requirements as stated above, and if selected as the most highly qualified provider, will comply with the requirement to submit a utilization plan during contract negotiations.

**Identify all subcontractors/suppliers you will use on this project**

Failure to complete this form, in its entirety with requested documentation, and received by the Purchasing Division no later than 2:00 p.m. on the second City business day after bid opening, exclusive of bid opening date, will result in the bid being considered non-responsive to bid specifications.

The undersigned Offeror agrees to enter into a formal agreement with the MBE firm(s) listed in this utilization schedule, conditioned upon execution of a contract with the City of Fort Worth. The intentional and/or knowing misrepresentation of facts is grounds for consideration of disqualification and will result in the bid being considered non-responsive to bid specifications.

Offerors are required to identify **ALL** subcontractors/suppliers, regardless of status; i.e., **Minority and non-MBEs**. MBE firms are to be listed first, use additional sheets if necessary. Please note that only certified MBEs will be counted to meet an MBE goal.
