CITY OF FORT WORTH EMPLOYEE HEALTH CENTERS

EMPLOYEE HEALTH CENTERS
The City of Fort Worth has expanded access to healthcare for employees, retirees, and their dependents through the City of Fort Worth Employee Health Centers. These centers are located throughout the city and offer a wide range of services, including primary care, specialty care, and wellness programs.

The City of Fort Worth Employee Health Centers are designed to provide high-quality care to all members of the city's workforce, including retirees and their dependents. The centers are equipped to handle a variety of medical conditions and offer convenient, accessible care during regular business hours. Additionally, retirees can expect to receive appointments on the same or next day.

The City of Fort Worth Employee Health Centers are located in the Fort Worth area and, in 2021, can answer all of your healthcare questions.

Things to Remember for Both Plans:
• All network services in HMO (Health Maintenance Organization) or PPO (Preferred Provider Organization) are included within the city's health insurance plans.
