Near Southside	2006	HOK	Hemphill Berry Urban Village

*\*TCB and EDAW were acquired by AECOM*

**Question Submitted via email by Mayu Takeda of Asakura Robinson:**

For the references, do they all need to be from municipal staff, or can they be from other levels of government and organizations such as a redevelopment authority, non-profit, etc.?

Yes. The City of Fort Worth and the Fort Worth Housing Finance Corporation will be paying for and managing this planning project with our project partners and we have specified references from municipal entities.
