Welcome to Financial Empowerment!

Financial Compass Tarrant County provides financial education to individuals and families to help empower and provide resources towards financial stability.

Our mission is to guide Tarrant County residents to Financial Empowerment.

Cities of Service supports a coalition of more than 260 cities. This organization helps coalition cities tap into the knowledge, creativity, and service of their citizens to help identify and solve critical public problems.

Financial Compass Tarrant County was created as a result of the partnership with Cities of Service, the American Association of Retired Persons (AARP), and Fort Worth Neighborhood Services Department.

The City of Fort Worth was awarded grant funds through Cities of Service, which is a nonprofit organization that helps mayors build stronger cities by changing the way local government and citizens work together.
