

**CITY OF FORT WORTH CITIZEN PARTICIPATION PLAN**  
**Regarding**  
**Use of Grant Funds From the U.S. Department of Housing and Urban Development**

AS AMENDED

The City of Fort Worth (City) is committed to providing opportunities for its citizens to participate in an advisory role in the planning, implementation and assessment of its Community Development Block Grant (CDBG) Program, HOME Investment Partnerships (HOME) Program, Emergency Solutions Grant (ESG) Program and Housing Opportunities for Persons with AIDS (HOPWA) Program. In order to encourage and support participation of citizens, the City will provide adequate information, hold public hearings, and give citizens the opportunity to comment on the City's plan for expenditure of federal funds and assessment of the results from use of these funds. Citizen participation is essential for a viable program, and while the final authority for decision-making rests with the City Council, the City recognizes that exchange of information among citizens and elected officials will allow for a stronger, more responsive affordable housing and community development effort in the City of Fort Worth.

This amended Citizen Participation Plan (CPP) sets forth the City's policies and procedures for citizen participation in the development of the Consolidated Plan, Annual Action Plan, Substantial Amendments to these plans, and the Consolidated Annual Performance and Evaluation Report (CAPER). This Citizen Participation Plan also includes policies and procedures for citizen participation in the development of the City of Fort Worth's Assessment of Fair Housing (AFH) and any subsequent amendments to the AFH. This Plan will become effective upon its adoption by City Council. This amended CPP will be posted on the City of Fort Worth web site at [www.fortworthtexas.gov/neighborhoods/grants/](http://www.fortworthtexas.gov/neighborhoods/grants/) and hard copies will be made available for review at the locations indicated below under the "Publishing the Plan" section. The City will also make a reasonable number of copies available for free. Citizens will have thirty (30) days to review the amended CPP and submit comments to the City of Fort Worth before it is submitted to City Council for adoption.

**A. Consolidated Plan, Action Plan, Consolidated Annual Performance and Evaluation Report, Substantial Amendments to the Consolidated Plan or Action Plans, Assessment of Fair Housing and Revisions to Assessment of Fair Housing**

The City of Fort Worth is required to submit the above- listed documents to the U.S Department of Housing and Urban Development (HUD) as a condition of receiving federal grant funding under the CDBG, HOME, ESG and HOPWA programs. Below are the specific procedures to be followed to ensure community input on these submissions.

## 1. The Consolidated Plan (ConPlan)

- a. This document serves as the five-year planning framework used to apply for funding under the CDBG, HOME, ESG, and HOPWA Programs. The City will make available to citizens, public agencies and interested parties information that includes:
  - the estimated amount of assistance the jurisdiction expects to receive, including grant funds and program income; and
  - the range of activities that may be undertaken, including the estimated amount that will benefit persons of low- and moderate- income.

The overall goal of these programs is to develop viable urban communities by providing decent housing, a suitable living environment, and expanding economic opportunities principally for low- and moderate-income persons. Through this document, the City describes its plan to pursue these goals for community development and affordable housing programs that are funded through grant funds from the U.S. Department of Housing and Urban Development (HUD) during a five (5) year period. HUD will evaluate the performance of the City in accomplishing these goals.

The Executive Summary of the Consolidated Plan will be published and made available at the City locations in sections (B)(3) of this plan. The five-year Consolidated Plan will also include a one-year Action Plan. For each year thereafter during the five-year period, a one-year Action Plan will be made available to the public.

- b. The City will conduct at least one public hearing during the development process before the Consolidated Plan is published and at least one public hearing during the 30 day comment period to obtain citizen's views and to respond to proposals and questions. These public hearings will be held in conjunction with the Community Development Council or City Council meetings. The Public Notices for the Hearings and the Hearings themselves will follow the procedures set forth in Section C. The Community Development Council is a citizen advisory body, appointed by the City Council, which has been charged with making recommendations regarding funding allocations and policy for the HUD grant programs.
- c. The City will provide information to the Fort Worth Public Housing Authority (currently re-named as Fort Worth Housing Solutions or FWHS), regarding the Consolidated Plan and its activities and encourage the FWHS to share the information at its annual public hearing required for the Public Housing Authority Plan. The City will also consult with FWHS during the development of the Assessment of Fair Housing.

## 2. **Annual Action Plan (AP)** –

- a. This document serves as the application for funding to HUD under the CDBG, HOME, ESG, and HOPWA Programs. The Annual Action Plan states the amount of assistance the City expects to receive (including grant funds and program income) from each of the federal programs and includes a description of the activities and related funding allocations that the City will undertake to address the needs and priorities established in the Consolidated Plan.
- b. The City will conduct at least one public hearing before the Annual Action Plan is published and at least one public hearing during the 30 day comment period to obtain citizen’s views and to respond to proposals and questions. The public hearings will be held in conjunction with meetings of the Community Development Council or at City Council meetings. The Notices of the Hearings and the Hearings will follow the procedures set forth in Section C.

## 3. **Consolidated Annual Performance and Evaluation Report (CAPER)** –

- a. This report describes the accomplishments achieved with federal funds during the previous year, including how funds were actually used and the extent to which these funds were used for activities that benefited low- and moderate-income residents. The fiscal year for expenditure of HUD funds begins October 1 and ends September 30 of the following year. This report will be submitted to HUD within 90 days of the close of the program year, that is, no later than December 30 of each year.
- b. The City will provide citizens with reasonable notice and an opportunity to comment on performance reports as described herein. Citizens will be given a period of not less than fifteen (15) days to comment prior to the submission of the Comprehensive Annual Performance and Evaluation Report (CAPER) to HUD. Comments may be submitted to the City of Fort Worth, by writing or calling any of the numbers listed in Section (C)(3)(b). Additionally, the City will consider any oral or written comments or views of citizens received at the public hearing conducted while preparing the CAPER. A summary of these comments will be attached to the CAPER document upon submission to HUD.

## 4. **Substantial Amendments**

- a. The City shall amend its approved Annual Action Plan and/or its Consolidated Plan whenever it makes one of the following decisions:
  1. To make a change in its allocation priorities;
  2. To make a change in the method of distribution of funds;
  3. To carry out an activity, using funds from any program covered by the

Consolidated Plan (including program income), not previously described in the Annual Action Plan;

4. For the CDBG program, to change the use of CDBG funds from one eligible activity to another
  5. To change the purpose, scope, location or beneficiaries of an activity;  
or
  6. To make substantial changes in funding to an “**activity**” under the CDBG, HOME, ESG and HOPWA Programs; For the City of Fort Worth, a substantial change is defined as an increase in funding for a particular activity of 25% or more of the original project budget even if the project is funded from multiple Action Plan years. For example, if a project budget equals \$100,000 and the City proposes to add \$9,000 to the project, no Substantial Amendment would be necessary, however if the City wanted to increase the budget by \$25,000, a Substantial Amendment would be necessary.
- b. Whenever a Substantial Amendment is proposed, this amendment shall be available for public comment for a period of thirty (30) days before submission to City Council for approval. A Substantial Amendment to the Action Plan will not be implemented until the conclusion of the 30-day public comment period. A summary of all comments or views received in writing, or orally, during the comment period, will be attached to the Substantial Amendments upon submission to HUD.

## **5. Assessment of Fair Housing**

a. The Assessment of Fair Housing is a planning document prepared in accordance with HUD regulations at 24 CFR 91.105 and 24 CFR 5,150 through 5.166, which became effective as of June 30, 2015. This plan includes an analysis of fair housing data, assesses fair housing issues and contributing factors, and identifies the City’s fair housing priorities and goals for affirmatively furthering fair housing.

b. The process for development of the AFH and the process for citizen participation for the AFH are the same as the processes for development and citizen participation for the Consolidated Plan, Action Plan, and their Substantial Amendments with regard to public hearings, public comment periods, and public notices, with the additional requirement that HUD-required data and other local data and information that the City intends to use in preparing its AFH will be made available to the public as soon as feasible.
