Neighborhood Improvement Strategy

Neighborhood projects to
improve public safety
and
attract private investment
in traditionally
underserved neighborhoods

- ✓ **Capital Projects**
- ✓ Capital investments in **Public Safety**
- ✓ Intensive Services to **Overcome Blight**
- ✓ Project Admin and **Community Outreach**

Funding & Scope

2017: funded from ½ cent allocation of the municipal property tax

2020: transitioned to an allocation from the operating & maintenance portion of the property tax rate for capital expenditures

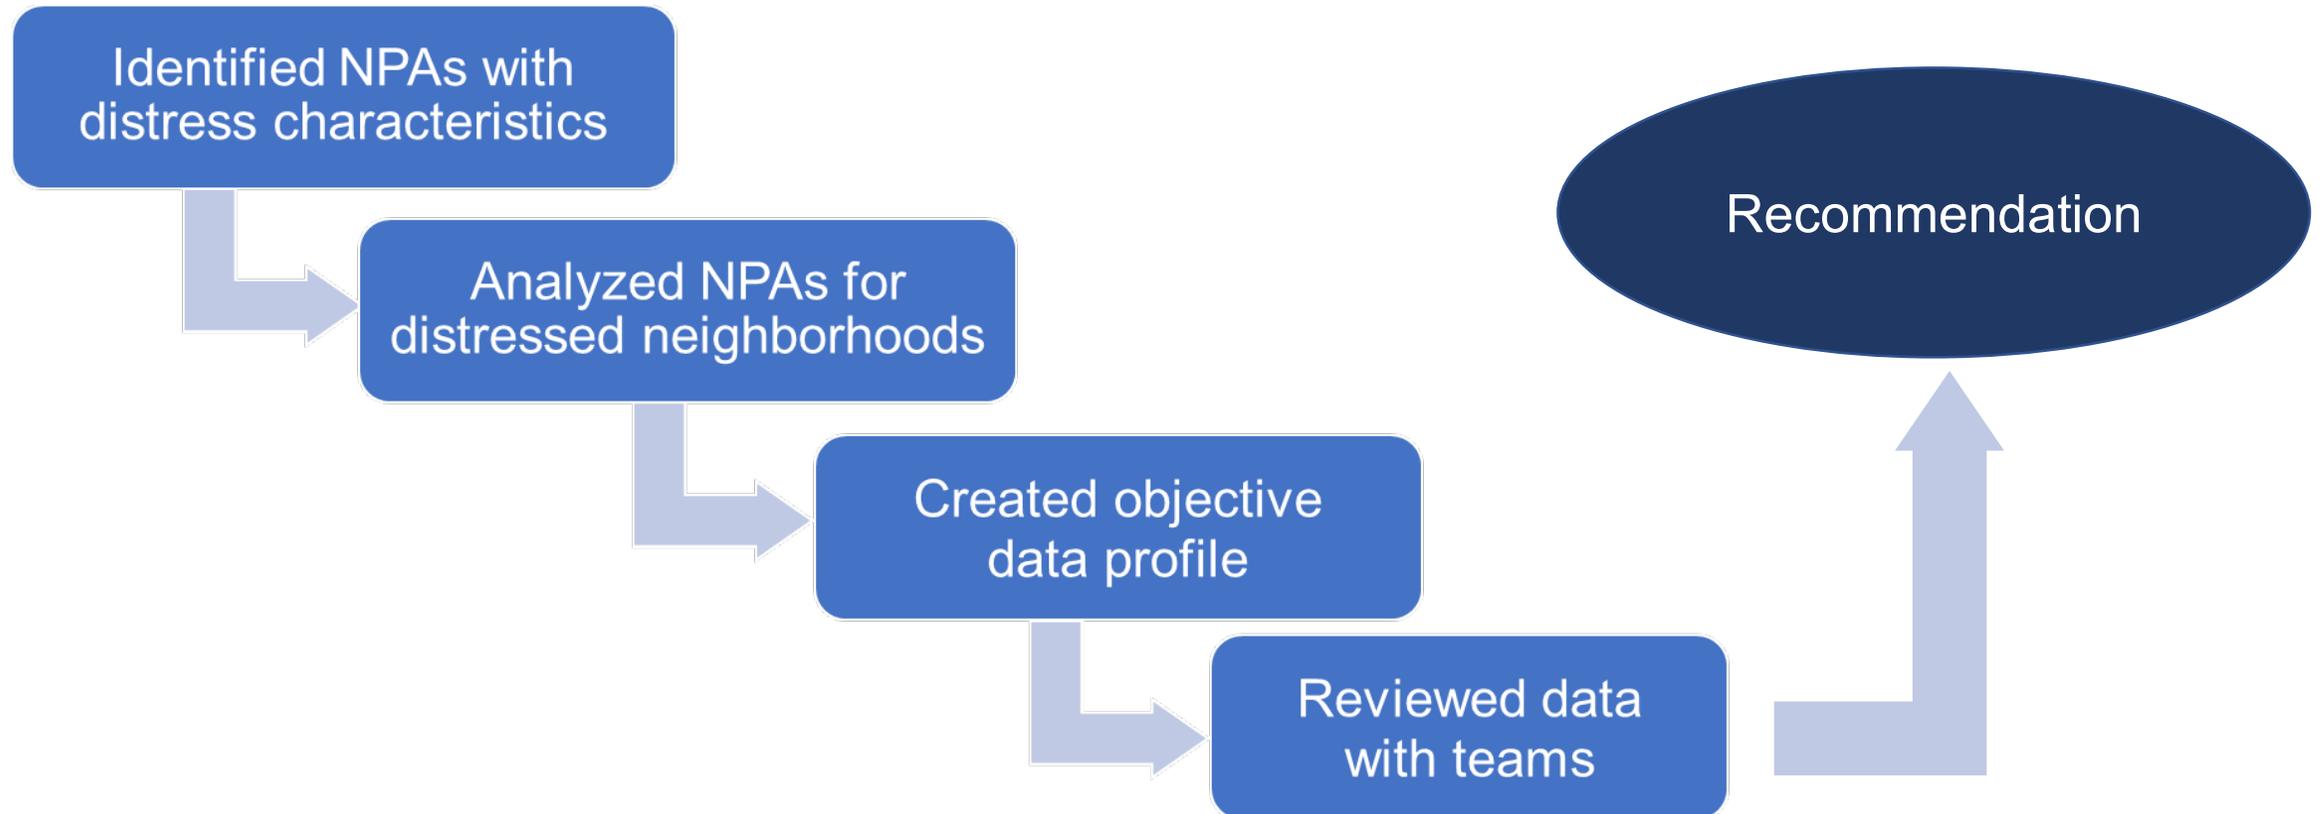

Scope: Neighborhood Projects to improve **public safety** and attract private investment in traditionally **underserved** neighborhoods

- ✓ **Capital projects** (*streetlights, sidewalk construction, street repaving, park improvements, tree planting*)
- ✓ Capital investments in **public safety** (*primarily surveillance cameras*)
- ✓ Intensive **services to overcome blight** (*litter removal, dumping enforcement, litter containers, brush removal, structure demolition, mowing*)
- ✓ **General admin and community outreach** (*surveys, mailers, staff time to administrate*)

Fiscal Year	Allocation	Neighborhood
2017	\$2.56 million	Stop Six
2018	\$2.77 million	Ash Crescent
2019	\$3.05 million	Northside
2020	\$3.10 million	Rosemont
2021	\$3.19 million	Como
2022	\$3.50 million	Las Vegas Trail

Annual Neighborhood Selection Process

New in Scoring Matrix for 2022

- Added crime statistics to include crimes against society and crimes against property (not just crimes against people)
- Added proximity of outdoor recreation facilities
- Added outdoor recreation facility conditions
- Took out # Code Enforcement cases
- Added # vacant and open structure cases
- Added substandard structure violations

Ensuring that neighborhood condition measurements relate to typical NIS Projects

Focus more points on neighborhood conditions
