

Dear Applicant,

**RE: NATIONAL NIGHT OUT**

Thank you for your interest in participating in the Annual Texas National Night Out.

Another reason for sending you this notice is to remind you that National Night Out Activities are exempt from the City of Fort Worth's **Outdoor Events Ordinance Permit requirements**. However, the following are important things to remember as you make your plans for this event:

**\*The date for Texas National Night Out has been set by the National Association of Town Watch (who governs this event worldwide) as the first Tuesday night in October during the hours of 6 p.m. to 9 p.m.**

Please be advised that only those events which take place on the designated **date** and during the **designated hours** will be recognized as a National Night Out event in Fort Worth.

\*All other regulations of the Outdoor Events Ordinance pertaining to neighborhood events are still applicable, and please note the following street closure requirements:

- Event holder is responsible for providing standard **Type 1 Barricades** on closed streets during event. Barricades must be staffed by an adult at least 18 years old at all times and Barricade staff must wear a reflective safety vest.
- Access to closed streets must be provided for emergency vehicles (ambulance, fire truck or police vehicles) in case of an emergency.
- A twelve (12) foot unobstructed roadway is required along closed sections of the street, and no structures, including tents, stages and bounce houses are allowed in the unobstructed roadway width or on the sidewalk or parkway.

Again, please accept our sincere thanks for your commitment to the safety of the citizens of Fort Worth. We wish you a safe and successful event!

*Cynthia Alexander-Ramos*
