City of Fort Worth – Lookup a Mapsco Number

1. Click link: http://oneaddress.fortworthtexas.gov/

2. Enter an address in the Search field where proposed work to take place (See SNIP 1).
   a. A Parcel Addresses will start to auto-populate…select the location from the list that appears.
   b. If the address does not appear, no results will be provided.

3. Scroll down the page to find Mapsco Grid under Reference…that is the Mapsco number for the area you will need to provide when submitting a permit request (See SNIP 2).
