

NOTICE
PROCEDURE FOR REQUESTING UNDERGROUND
LOCATES WITHIN THE CITY OF FORT WORTH

STREET LIGHTS & TRAFFIC SIGNALS

If you are planning excavation within the Fort Worth City limits, you **must** notify **TPW/Traffic Management** for street light and traffic signal locates. The City of Fort Worth's TPW Department is **not** on the Dig-Tess one call system. Street lights and traffic signals are handled by us.

Notification by e-mail at 1234@FortWorthTexas.Gov or by phone at (817)-392-1234. You will need a drawing/map of the area to be worked, contact information, and a brief description of the work to be performed if necessary, to be attached to the e-mail.

WATER & SANITARY SEWER

If you plan to excavate within the Fort Worth City limits, you **must** notify the **Lone Star 811** one call system for any water or sewer locate requests.

Please allow 48 hours for locates to be completed. Additional notice would be appreciated, if available to allow more efficient scheduling of requests received.

The City of Fort Worth complies with the APWA Uniform Color Code when marking our facilities.
