**5,290**

Total calls

## Compliance Corner

Since launching in March '25, the Fort Worth Mobile Tool Shed has helped more than 40 residents stay up to code. By providing free lawn equipment the program has supported dozens of families and helped the city avoid approximately \$10,000 in citation and abatement costs. The Tool Shed continues to be a successful resource for the community.

**Building demolitions** and the abatement of structures with building, plumbing, electrical, and mechanical code violations that pose potential danger.

## SHELTER OPERATIONS

Adoption/fostering help FWACC care for and place animals in forever homes. Our rescue partners also expand our reach and increase the number of lives we save.

## PUBLIC SAFETY

Health initiatives control pet populations and promote responsible pet ownership.

## SHELTER SPOTLIGHT

### FORT WOOF RUN CLUB

In May, FWACC launched the Fort Woof Run Club to give adoptable dogs more exposure in the community. At our first walk, six volunteers hit the Trinity Trails with six shelter dogs, connecting with curious residents and spreading the word about FWACC pets and how to get involved. Since the first outing, four dogs have found placement.
