### SHELTER SPOTLIGHT

### TONS OF TOYS & DELIVERY DAY!

North Hi Mount Elementary's Student Council spread holiday cheer by fundraising and collecting donations for pets at Fort Worth Animal Care and Control. Over several weeks, the students rallied their peers and their parents to gather pet food, blankets, toys, and other much needed supplies. The items were then delivered to the shelters ahead of the holidays.

## Compliance Corner

In December, Code Compliance officers worked with a property owner on Fort Worth's southwest side to address excess debris on their property. Excess debris is more than clutter; it can create safety concerns for neighbors, first responders, and the property owner. Through debris abatement and guidance from officers, the property was restored and conditions were improved for the entire neighborhood.

**Building demolitions** and the abatement of structures with building, plumbing, electrical, and mechanical code violations that pose potential danger.
