to Urban Forestry

Why Trees Matter for YOUR Community

Enhance curb appeal and property value

Reduces stormwater runoff and erosion

Cools urban heat islands and saves energy

Builds community goodwill

Shown to improve mental and physical health

Residential Impact

One and two family lots less than an acre with a dwelling are EXEMPT from the Urban Forestry Ordinance

Be sure to comply with your HOA requirements before removing trees

Contact Park & Recreation Forestry for any tree concerns in the right of way, parkway, or on City owned property at (817)392-5739 or CityTreePermits@FortWorthTexas.gov
