DETAILED PROJECT DESCRIPTION

Please provide a detailed summary of your proposal below. This should include a detailed description of the proposed use and reason for rezoning, how this use is compatible with surrounding land uses and the City's Comprehensive Plan, and any other details relevant to your request. Feel free to attach additional pages, concept plans, etc. as needed.

For PD or CUP requests, please explain why your proposal cannot be accommodated by standard zoning districts, clarify if any waivers are being requested and why, and detail any changes from previously approved site plans or development standards.

The property owner is requesting to rezone 2.02 acres of a 19.58 acre tract located at the SE corner of Camp Bowie West Blvd & Longvue Ave. The majority of the property is currently zoned "I", which conforms to the proposed use. However, the NW 2.02 acres is currently zoned "E". The property owner is requesting to rezone the 2.02 acres to "I" in order to develop a cohesive multi-building industrial warehouse complex on the 19.58 acre tract.
The proposed zoning & land use adheres to the city's future land use plan, and is compatible with the adjacent light industrial facilities that exist along the SE corner of Camp Bowie West Blvd & Longvue Ave.
