DETAILED PROJECT DESCRIPTION

Please provide a detailed summary of your proposal below. This should include a detailed description of the proposed use and reason for rezoning, how this use is compatible with surrounding land uses and the City's Comprehensive Plan, and any other details relevant to your request. Feel free to attach additional pages, concept plans, etc. as needed.

For PD or CUP requests, please explain why your proposal cannot be accommodated by standard zoning districts, clarify if any waivers are being requested and why, and detail any changes from previously approved site plans or development standards.

The purpose of this re-zoning application is to request approval to re-zone a parcel of land currently designated as Industrial to B-Two Family. We want to develop the site into (5) residential duplexes. This development aligns with the city's objectives for sustainable growth, providing affordable and quality residential options while maintaining the integrity and character of the surrounding neighborhood.

Majority of the surrounding area is already zoned B or MU-1 zoning. Given the proximity to MU-1 zoning, the B duplex zoning request is consistent with the city's broader urban planning goals. These proposed duplexes will contribute to the diversity of housing types in the area, providing additional residential units that complement the goals of creating mixed-use neighborhoods.
