We are hoping to use the educational space at the College Ave Baptist church located at 1400 College Ave in the Historic Fairmount neighborhood. We are a childcare facility serving kids 18 mos - 5 years teaching using Montessori influence. This church is currently zoned as Type C but we would like it to be changed to encompass the use of the site as both a Church and as an educational childcare center. We do not have plans to alter anything structurally other than performing basic repairs to meet code requirements. We are lucky to be located across the street from De Zavala Elementary School and within close proximity to other schools like Daggett. We are excited to provide stable and loving care to this thriving community.
