DETAILED PROJECT DESCRIPTION

Please provide a detailed summary of your proposal below. This should include a detailed description of the proposed use and reason for rezoning, how this use is compatible with surrounding land uses and the City's Comprehensive Plan, and any other details relevant to your request. Feel free to attach additional pages, concept plans, etc. as needed.

For PD or CUP requests, please explain why your proposal cannot be accommodated by standard zoning districts, clarify if any waivers are being requested and why, and detail any changes from previously approved site plans or development standards.

The Subject Property to be considered by this zoning change application is a 2.421 acre tract located at 5008 Collett Little Road and currently zoned "E," Neighborhood Commercial. The Applicant is requesting to change the zoning designation of the Subject Property to "UR" Urban Residential.

The zoning change would accommodate the development of the proposed Lofts at Redwood, a mixed-income apartment community providing affordable housing choices to families and the workforce community. Lofts at Redwood will be Class A new construction offering up to 88 units (by this zoning change) in a mix of 1-bedroom and 2-bedroom unit configurations; will include the construction of upscale resident amenities and a luxury community center; and will provide a robust program of resident empowerment services. As of the date that this zoning change application is submitted to development services staff (2/5/2024), the City's Neighborhood Services department has also received a 2024 City of Fort Worth Housing Tax Credit Resolution Application from the Applicant to consider support for the proposed Lofts at Redwood development. The Applicant anticipates that the City Council will consider and provide full support for the proposed development by the time this zoning change application is considered by the Zoning Commission.

The Subject Property is situated between Mansfield Highway and Collett Little Road and among a variety of surrounding commercial, retail and residential uses. The surrounding land uses immediately to the north of Collette Little Road are residential in nature consisting of a mix of mobile home, multifamily, and single family uses. The other immediate surrounding land uses are commercial in nature, including self-storage immediately to the east, restaurant uses to the south and fronting Mansfield Highway, and retail to the west and also fronting Mansfield highway. Located beyond the self-storage to the east of the subject property are additional multifamily uses, including the Magnolia at Village Creek Apartments and the One Amelia Senior Living Apartments. The proposed development is consistent with the mix of commercial and residential uses in this area and along the Mansfield Highway corridor. The development is also consistent with the purpose of the "UR" district by being within a transition zone between the commercial corridor along Mansfield Highway and the lower density mobile home neighborhood to the north of Collett Little Road, and being within walking distance from transit stops.

The Subject Property is located within Neighborhood Empowerment Zone Area #6. The proposed development contributes to the City's revitalization efforts in this NEZ Area by providing mixed-income affordable housing to residents in need, emphasizing new construction, fair housing practices, increased attainable housing choices, and a multi-million-dollar investment into improvements that revitalize the community and area.

The location of the proposed Lofts at Redwood is consistent with the Housing Focus Areas section of the Comprehensive Plan and aligns with the following:

- Promoting vibrant neighborhoods through the City's Neighborhood Empowerment Zone (NEZ) program
- The project location is within 2 miles of a major employment center, or within ¼ mile of existing or proposed rail transit stations or bus routes;
- Within an urban-village, growth center, neighborhood empowerment zone or special district;
- Promoting vibrant mixed-income and mixed use neighborhoods in downtown, urban villages, and NEZ locations;
- The City of Fort Worth's Fair Housing Ordinance aims to ensure equitable treatment of its citizens in securing housing;
- Promotes a range of housing choices to meet market demand for smaller scale housing within neighborhood areas.
