DETAILED PROJECT DESCRIPTION

Please provide a detailed summary of your proposal below. This should include a detailed description of the proposed use and reason for rezoning, how this use is compatible with surrounding land uses and the City's Comprehensive Plan, and any other details relevant to your request. Feel free to attach additional pages, concept plans, etc. as needed.

For PD or CUP requests, please explain why your proposal cannot be accommodated by standard zoning districts, clarify if any waivers are being requested and why, and detail any changes from previously approved site plans or development standards.

We respectfully request approval to rezone approximately 36.924 acres from MU-1 (30.206 acres) and UR (6.718 acres) to A-5 to allow for the development of a single-family residential neighborhood. This rezoning will support the creation of quality housing consistent with the area's growth pattern and the City of Fort Worth's long-range planning goals. The project will also include a 0.5-acre pocket park to provide passive recreation opportunities and community open space.

The subject property is located within an area currently developed with single-family homes. The proposed A-5 zoning aligns with the established residential character and will reinforce the existing neighborhood fabric. Adjacent property planned for future development is zoned MU-1, which will accommodate a mix of residential and neighborhood-serving uses. The proposed residential zoning provides a compatible and logical transition, establishing stable single-family use adjacent to future mixed-use development. Thoughtful site design and open space amenities will further support compatibility and connectivity with the surrounding community.

This request is consistent with the City of Fort Worth Comprehensive Plan, which encourages quality residential development, coordinated growth, and efficient extension of infrastructure. Rezoning to A-5 supports planned development patterns in this area, helps meet ongoing demand for single-family housing, and aligns with the City's vision for balanced and sustainable neighborhood growth.

We respectfully request approval of this rezoning as it supports the City's planning objectives and contributes to quality residential development in Fort Worth.
