Allocation of ARPA Subtitle M Funding

ARPA Section 9901, Subsection 603(c)(1)(A) provides funding to support initiatives for communities disproportionately impacted by the COVID pandemic. Responding to the negative health and economic impacts of the coronavirus pandemic is a specifically identified use of ARPA dollars. Treasury Department guidance specifically notes that these Fiscal Recovery Funds can be deployed for a broad range of uses to mitigate the effects of COVID-19 on local residents and accelerate the community's recovery from the pandemic. Per U.S. Treasury guidelines, all general ARPA funds must be fully obligated by December 31, 2024 and fully expended by December 31, 2026.
