Tarrant County Homeless Coalition (TCHC) evaluated the homelessness situation in the CoC area, which encompasses Tarrant and Parker counties, and identified strategies, resources, and the estimated number of new physical units of PSH needed. Among the strategies and resources supporting this goal are the use of Emergency Housing Vouchers (EHVs) awarded to Fort Worth Housing Solutions, as well as system improvements including a new housing assessment which will better target housing interventions. In addition TCHC has determined one of the greatest needs is for physical units designated for the chronically homeless.</p>

The goal of the program is to stimulate the economic activity for all tourism related businesses in the city, such as hotels, restaurants, venues, and museums, providing additional employment opportunities for citizens.

Description	Visit Fort Worth will put ARPA funds to work rebuilding our visitor economy, which supports jobs and local business. Visit Fort Worth powers economic development through tourism – creating jobs, raising the City of Fort Worth’s visibility and contributing to local quality of life. As a 501(c)(6) contracted with the City of Fort Worth, Visit Fort Worth represents the hospitality industry as they share the Fort Worth story. o In 2020, Visit Fort Worth responded to the pandemic by laying off 20% of its staff, reducing spending and shuttering visitor centers. During the pandemic 12 employees were laid off. Over the next three years ARPA funds will replace about half of the \$10.44 million Visit Fort Worth lost during the tourism downturn.
