

Bid Opening – Some in Hard Copy

(At 2:00 PM, Show the Molly Logo on screen, start reading the script, and start recording)

Good afternoon. Welcome to the City of Fort Worth public bid opening for Friday, February 2, 2024. Today we have:

ITB/IFB

RFP

RFQualifications

Construction Bid(s)

Property Sale

Total Bids to Open

All Bids issued before January 1, 2024, were subject to the City’s former bid process of collecting hard copies of bid responses. Accordingly, these bids will be read first. After that, all other bids in the Bonfire system will be read.

By unsealing today’s bids, we will be reading Bidder’s names and revealing pricing on the appropriate bids. Due to the confidential and negotiable nature of RFPs & RFQualifications, only the names of the respondents will be read. Bid amounts have not been verified at the bid reading. Prices will be verified during evaluations.

Additionally, opening a bid does not guarantee the responsiveness, responsibility, or qualification of the bidder. Decisions regarding responsiveness, responsibility, and whether a vendor is qualified will be made during the evaluation process.

We are starting the bid opening process and will now unseal the responses for today’s bids. We will provide an update in ten minutes if we haven’t started reading the bids that were received.

(Pause recording and start opening paper and Bonfire bids. Prepare the paper bid summary sheets. Copy all Bonfire bids to the Excel file. After that, Resume recording and start reading paper bids. After completing paper bids, start sharing the Excel file, handover recorder, and reading Bonfire bids)
