

FORT WORTH MUNICIPAL COURT FINE SCHEDULE
Effective September 1, 2019

This fine schedule applies to offenses occurring on or after September 1, 2019

* The total amount does not include the \$75.00 accident fee (if applicable) or the **\$8 - \$16 for each mile over the speed limit fine.**

** Case type is not applicable if the defendant is a juvenile or a minor (TR=Traffic, NT=Non-traffic, OR=Ordinance, M=Minor)

*** For traffic violations within a school zone add \$25.00 to the court cost. Violations specific to school zones have the fee added to the court cost already.

Traffic violations that occur in a construction or maintenance area when workers are present double the fine. Double fine plus court cost equal the total. Note - do not double the court cost)

For any violations issued to a juvenile (16 years of age and younger), the case must be set for court and they must appear with a parent/guardian. All minor in possession (Tobacco & Alcohol) and Minor DUI citations issued to those age 16 years and younger must also be set for court (with parent/guardian). Those age 17-20 with alcohol violations must see a judge (parent/guardian not required).

All Assault cases require the accused to appear in person in open court to enter a plea.
