

Morningside Area Sewer Main Improvements

*Thursday, February 5, 2026, 6 p.m. community construction meeting
Atatiana Carr-Jefferson Community Center at Hillside*

Agenda

**Why is Fort Worth Water
doing this project?**

Who will be impacted?

**What drives this capital
improvement project?**

Introductions

Project Overview

Project Area

Impact

Timeline

Your construction project team includes . . .

Project Manager: Parvathi S. Unnithan

- Parvathi.SreekumaranUnnithan@fortworthtexas.gov
- 817-392-7803

Inspector: Alinnson R Bolivar

- Alinnson.Bolivar@FortWorthTexas.gov
- 817-392-8371

This is a City of Fort Worth Water capital delivery project. Type 2721 in the search bar on www.FortWorthTexas.gov to subscribe to project updates.

Your construction project team includes . . .

Contractor: 2R Construction Services

- Eric Romo and Raul Canales

Consultant: VRX Global

- Kelly Moncrief

This is a City of Fort Worth Water capital delivery project. Type 2721 in the search bar on www.FortWorthTexas.gov to subscribe to project updates.

What are the boundaries of this capital project?

Existing sewer mains will be replaced in an area bound by:

- Elmwood Avenue to the north
- South Riverside Drive to the east
- Glen Garden Drive to the south, and
- New York Avenue to the west.

This project is in Fort Worth Council District 8. This Fort Worth Water capital project includes six segments.

Construction will impact the Morningside neighborhood association and United Communities association.

Morningside Area Sewer Main Replacements

Sanitary sewer pipes will be replaced in these alleys . . .

- Alley between East Allen Avenue and Elmwood Avenue from New York Avenue to Mississippi Avenue
- Alley between East Ramsey Avenue and Marion Avenue from the Union Pacific Railroad right-of-way to 2,300 feet to the west
- Alley between East Robert Street and Colvin Avenue from Mississippi Avenue to the Union Pacific Railroad right-of-way

Morningside Area Sewer Main Replacements

Sanitary sewer pipes will be replaced in these alleys . . .

- Alley between Judd Street and East Canney Street from South Riverside Drive to Yuma Street
- Alley between Mulkey Street and East Robert Street from South Riverside Drive to Yuma Street
- Alley between East Morningside and Glen Garden Drive from Mississippi Avenue to the Union Pacific Railroad right-of-way

Why is Fort Worth Water doing this project?

Fort Worth Water prioritizes replacing water and sewer lines that have a high risk of failure. Risk of failure is determined based on available data which includes:

- Water main break history
- Leak history
- CCTV (closed circuit TV) inspection
- Age of the line
- Line material
- Cast iron lines

The Fort Worth Water Department's sanitary sewer overflow initiative program's goal is to install approximately 5,560 linear feet of sanitary sewer pipe with this capital improvement project.

Timeline

The contractor will mobilize on Wednesday, February 11, 2026.

The contractor will start on the segment in the alley between East Robert Street and Colvin Avenue, from Mississippi Avenue to the Union Pacific Railroad right-of-way.

Will there be lane closures during construction?

Traffic lanes may be closed, and detours may be in place when the contractor is connecting the new sewer mains to the manhole.

Message boards will be posted to alert drivers.

The contractor will also notify customers.

Please watch for traffic signs and flaggers in the area, and consider taking a different route.

Stay up to date by clicking on this link on the City of Fort Worth webs
<https://www.fortworthtexas.gov/projects/closures>.

It will show the street name and the "to" and "from" limits on that street. You can see the start date and projected end date for each closure.

Frequently Asked Questions

Frequently Asked Questions

How will we know when construction is coming?

Keep an eye on your front door for a door hanger from the City of Fort Worth.

You will receive two door hangers.

The first one says "Construction Starts in 7 days."

WATER UTILITY IMPROVEMENTS

Construction Starts in 7 Days

WATER AND/OR WASTEWATER improvements are coming to your neighborhood. Crews are scheduled to begin work within the next SEVEN days, weather permitting.

Residents will have access to homes at all times. Water service will only be interrupted for short periods of time and advance notice will be provided as to when this will occur. There is never an interruption to wastewater service.

Residents are asked to keep all vehicles off both sides of the street during the week from 7 a.m. to 6 p.m. Travel and driveway access will be limited at times during construction.

For questions, please call 817-392-8306.

MEJORAMIENTO EN LA UTILIDAD DE AGUAS

Construcción Comienza en 7 días

Mejoramiento a agua y aguas residuales llegan a su vecindario. Los equipos están programados para comenzar a trabajar dentro de los próximos SIETE días, si el tiempo lo permite.

Los residentes tendrán acceso a sus hogares en todo momento. El servicio de agua sólo será interrumpido por períodos cortos del tiempo y el previo aviso será proporcionado en cuanto a cuando esto ocurra. Nunca hay una interrupción de servicio de alcantarillado y saneamiento.

Se pide a los residentes que retiren todos los vehículos desde a ambos lados de la calle durante la semana de 7 a.m. a 6 p.m. Los viajes y el acceso a la cochera estarán limitados a veces durante la construcción.

Para preguntas, por favor llame al 817-392-8306.

Frequently Asked Questions

How will we know when construction is coming?

The second door hanger says “Construction Starts Tomorrow.”

The inspector will include his/her business card and contact information on the door hanger.

WATER UTILITY IMPROVEMENTS

Construction Starts TOMORROW

WATER AND/OR WASTEWATER improvements are coming to your neighborhood. Crews are scheduled to begin work **TOMORROW**, weather permitting.

Residents will have access to homes. Water service will only be interrupted for short periods of time and advance notice will be provided as to when this will occur.

Residents are asked to keep all vehicles off both sides of the street during the week from 7 a.m. to 6 p.m. Travel and driveway access will be limited at times during construction.

For questions, please call 817-392-8306.

MEJORAMIENTO EN LA UTILIDAD DE AGUAS

La construcción empieza MAÑANA

Mejoramiento a agua y aguas residuales llegan a su vecindario. Los equipos están programados para comenzar a trabajar **MAÑANA**, si el tiempo lo permite.

Los residentes tendrán acceso a sus hogares en todo momento. El servicio de agua sólo será interrumpido por períodos cortos del tiempo y el previo aviso será proporcionado en cuanto a cuando esto ocurra. Nunca hay una interrupción de servicio de alcantarillado y saneamiento.

Se pide a los residentes que retiren todos los vehículos desde a ambos lados de la calle durante la semana de 7 a.m. a 6 p.m. Los viajes y el acceso a la cochera estarán limitados a veces durante la construcción.

Para preguntas, por favor llame al 817-392-8306.

Frequently Asked Questions

What happens if my property is damaged?

The contractor will take pictures and video of the property before breaking ground.

We also encourage property owners to take pictures and video of their property before construction commences.

Damage resulting from the contractor's activities during construction is the responsibility of the contractor.

Frequently Asked Questions

Do you need access to our property?

If an easement is needed for this project, the contractor will provide a Temporary Right of Entry letter to the property owner.

Then, upon approval the contractor will have access to the property.

Will our sewer service be disrupted?

Sanitary sewer service will not be interrupted. New sewer cleanouts will be installed at the property line. The sewer cleanout provides crews easy access if a backup or blockage occurs.

The sewer line from the cleanout to the house and the private plumbing are the responsibility of the owner to maintain.

Frequently Asked Questions

What are the construction hours?

The hours of construction are 7 a.m. to 6 p.m., Monday through Friday.

And, if requested by the contractor, 9 a.m. to 4 p.m. – or 5 p.m., on Saturdays.

How do I report an emergency or non-emergency?

Emergencies

- Water main breaks, sewer backups - 24 hours a day
- 817-392-4477, Select Option 1
- **Water Call Center (non-emergency)**
- 7 am to 7 pm Monday through Friday
- 817-392-4477
- Closed City holidays

Download the MyFW app from the App Store or Google Play.

You can report sewer overflows, leaks and water main breaks, missing or broken meter lids, water theft, water violations, no water service, water pressure issues and other sewer concerns.

Where can I get more information?

Go to [**www.FortWorthTexas.gov**](http://www.FortWorthTexas.gov) and type 2721 – the project number – in the search bar on the home page.

Morningside Area Sewer Main Replacements will pop up.

To get project page updates, scroll down to the bottom of the project page and click on “Subscribe to this page.”

The link to a PDF of this PowerPoint of this presentation will be posted to this project page.
