Where can I get more information?

- Progress will be updated on the City of Fort Worth website at <https://www.fortworthtexas.gov/projects/cfw-tension-avenue-k>
- You can also go to www.FortWorthTexas.gov and enter “104324” or “Ave K and Tension Dr” in the search bar on the home page.
- The project map, and the project summary/updates will be linked to this project page.

QUESTIONS/INPUT?

How do I report an emergency or non-emergency?

Emergencies

Water main breaks, sewer backups - 24 hours a day
817-392-4477, [Select Option 1](#)

Water Call Center (non-emergency)

- 7 am to 7 pm Monday through Friday
- 817-392-4477
- Closed City holidays

Download the MyFW app from the App Store or Google Play. Fort Worth residents and visitors have a quick and easy way to report issues to the city.

After downloading the MyFW app, users can provide a brief description, photos and use a map-based location feature to submit issues like graffiti, potholes or high grass, sewer overflows, leaks and water main breaks, missing or broken meter lids, water theft, water violations, no water service, water pressure issues and other sewer concerns. Once submitted, the request will go directly to the appropriate city work team for a quick response. The user can view the status of the request in the app and receive a notification when the work is complete.
