Building Inspections:

Our volume of inspection requests currently exceeds our capability to perform all inspections on the date requested.

Every effort will be made to make inspections as requested, however, they may be *delayed up to 2 working days*. We appreciate your patience.

Step 11: Under **Network Nodes** section:

- Select the **Wireless Carrier** from the drop-down box.
- Enter the number of node sites for this request in the **Node Count** field.
- In the **New or Replacement Pole Count** field, enter the number of nodes that will be either an *existing CFW metal pole/foundation* to replaced or a *new standalone pole* to be installed.
 - This will trigger the required \$1,000.00 fee for each pole).
- If any of the proposed nodes are within a historic or design district, check mark the appropriate box.
 - This will trigger the department review for either.
- Do nothing under the **MISC** section.
- Scroll down to the **Custom Lists** section.

Add a Row

Step 13: Node Locations section, fill out as indicated below, and then click **Submit**.

- Enter the **Node Number** starting with **1**. If you have more than one site you are applying for, the next will be **2, 3** and so on...
- Enter the **X Y Coordinates** (should be listed on the coversheet of the construction drawings).
- Enter the assigned address in the **Street Number** field.

NOTE: If ACA does not accept this, enter the number in the **Direction** field before the direction, if there is one (Before/After below):

- **Direction and Street Name** are self-explanatory.
- **Suffix** field: Enter **Dr , Rd , St** or whatever the applicable suffix is for that street name.
 - Do not put a **period** behind the two letters...will trigger the **Invalid Error**.
- Under Pole Info drop-down box, select either
 - **Existing – City Owned**: IF this is an *existing CFW metal pole* to be replaced (\$1,000.00 fee applies)
 - **Existing – Other**: IF this is an *existing CFW wood pole* or non-CFW wood pole to be replaced (no fee).
 - **New**: IF this is a New Standalone pole (\$1,000.00 fee applies)
- **Mapsco** number is required. Can look up at [OneAddress | City of Fort Worth, Texas \(fortworthtexas.gov\)](https://www.fortworthtexas.gov/OneAddress)
- **Status**: Select Inactive
- **Status Date**: Leave blank

Step 14: Review information, edit if necessary, and then click **Continue Application**

Save and resume later

Step 15: Upload documents by clicking **Add** under the **Attachment** section (a separate window will open).

****REQUIRED: ALL** required documents (permit application form, CD's w/ plan and profiles, plat, guarantee agreement, TCP's, etc...) must be in **ONE** .PDF attachment.

The screenshot shows a web application interface. At the top, there is a navigation bar with tabs: Home, Development, Fire, Gas Well, Planning, **Street Use**, Infrastructure, and more. Below the navigation bar, there are three main actions: 'Create an Application', 'Search Applications', and 'Schedule an Inspection'. The 'Street Use' tab is active, and the 'Network Node Permit' section is visible. It contains a progress bar with four steps: 1 Nodes, 2 Review, 3 Pay Fees, and 4 Record Issuance. Below this, the 'Step 1: Nodes > Attachments' section is shown. It includes a note: '*Indicates a required field.' and an 'Attachment' section. The attachment section has a warning: 'The maximum file size allowed is 3000 MB. .html, .htm, .mht, .mhtml are disallowed file types to upload.' Below this is a table with columns: Name, Type, Size, Latest Update, and Action. The table is currently empty with the text 'No records found.' Below the table, there are three buttons: 'Add', 'Continue Application >>', and 'Save and resume later'.

Step 16: Click **Add** and **Open** a document from your computer, then click **Continue** after it has reached **100%**

This block contains three screenshots illustrating the file upload process. The top-left screenshot shows the 'File Upload' dialog box. It has a title bar with a close button. The text inside says: 'The maximum file size allowed is 3000 MB. .html, .htm, .mht, .mhtml are disallowed file types to upload.' Below this is a large empty rectangular area. At the bottom, there are four buttons: 'Continue', 'Add', 'Remove All', and 'Cancel'. The top-right screenshot shows an 'Open' dialog box. The title bar says 'Open'. The address bar shows the path: '<< Doc... > SMALL CELL ...'. The search bar contains 'Search SMALL CELL PROJECTS'. The main area shows a file list with columns: Name, Status, Date modified, and Type. The file 'CFW - Conta...' is selected. Below the list, the 'File name' field contains 'CFW - Contacts_Small Cell_11_29...' and the file type is set to 'All files (*.*)'. There are 'Open' and 'Cancel' buttons. The bottom screenshot shows the 'File Upload' dialog box again, but now the file 'CFW - Contacts_Small' is listed with a progress bar that is 100% full. The 'Continue' button is highlighted in yellow.

Step 17: Select the **Type** that best fits, write brief **Description** for the document uploaded and click **Save**

Attachment

Step 20: Enter payment information in required fields and click Authorize

Payment Options

For Checks:
By entering my routing and account number and clicking "Authorize," I authorize my payment in the amount indicated above to be processed as an electronic funds transfer (EFT) or draft drawn from my checking or savings account as identified above and, if necessary, electronic credits to my account to correct erroneous debits. I understand that my payment will be processed within 1 - 2 banking days. If the payment returns unpaid, I authorize you or your service provider to collect the payment by EFT(s) or draft(s) drawn from my account. I understand that this authorization will remain in full force and effect until I notify you that I wish to revoke it by calling 817-392-2222 and allow you reasonable opportunity to act on my notice.

If you have an ACH BLOCK with your financial institution you need to provide this number **9044048155** to your financial institution so that your ACH/Check transaction can be processed.

PLEASE PRINT A COPY OF THIS PAGE FOR YOUR RECORDS. ALTERNATIVELY, CONTACT US AT (817) 392-2222 TO LEARN HOW YOU CAN OBTAIN A COPY.
