

Good evening all! The meeting will start at 6:35PM to give residents enough time to join us.

**Pre-Construction Community Meeting for**  
***2022 Bond Sidewalk – Glasglow & Oak Grove***

**City Project No. 104758**  
**Council District 8**

Project Manager: Philip Trinh, EIT  
Project Engineers: Consor Engineer  
Contractor: Ti Zack Concrete  
Bean Electrical

**June 18, 2025**

## Introduction

- Introduction of City Staff, Project Engineer and Contractor
- Purpose of this meeting is to provide information about the construction of Sidewalk Improvements on Glasglow Road (From DeCory Road to Highland Hills Rec Center) and Oak Grove (From Roma Lane to Engblad Drive)
- Meeting will include the following information:
  - Project Limits
  - Project Scope
  - Typical Construction Process
  - Project Phasing and Traffic Control
  - Project Schedule and Notification
- Questions will be answered at the end of the presentation.

# Project Location

# Project Location

- Approximately 2000 Feet of Sidewalk Improvements on the North and South Sides of Glasgow Rd and the West and East Sides of Oak Grove Rd
- Add Bulb Out at intersection of Glasgow Rd and Oak Grove Rd

# Project Scope

Objectives include:

- Improve pedestrian mobility, connectivity, and safety by constructing sidewalks and ADA-compliant pedestrian curb ramps along Glasgow Road between DeCory Rd. and Highland Hills Community Center and along Oak Grove Road from Roma Ln. to Engblad Dr. Existing Sidewalks will be left undisturbed with a few replacement areas.
- Project improvements will provide safe access to surrounding churches, businesses, public transit stops, a park, and a community center.
- Project funded by 2022 Bond Program funds
