Criteria	Points	Scoring
Vision Zero High Injury Network (based on Adopted 2025 Vision Zero Safety Action Plan)	15	15 - Located within 1/4 mile of HIN roadway 10 - Located within 1/2 mile of HIN roadway 5 - Located over 1/2 mile from HIN roadway
Crashes	10	10 - At least one documented crash within 500 ft of location within the past three years (2021-2023) 5 - No documented crashes within 500 ft of location within the past three years (2021-2023)
Proximity to transit community facilities – i.e. schools, parks, libraries, and recreation center	15	15 - Located within 1/4 mile of transit or community facility 10 - Located within 1/2 mile of transit or community facility 5 - Located over 1/2 mile from transit or a community facility
Presence of sidewalks	10	10 - No sidewalks 5 - Sidewalks
85 th Percentile Speed	30	30 - 85th percentile speed is 10 miles per hour (mph) or more above the posted speed limit 20 - 85th percentile speed is between five and 9 mph above the posted speed limit 10 - 85th percentile speed is less than five mph above the posted speed limit 5 - 85th percentile speed is below the posted speed limit
Percentage of Egregious Speeders (traveling more than 10 mph over posted speed limit)	20	20 - Over 10 percent of total speed count is egregious speeding 15 - Between five and nine percent of total speed count is egregious speeding 10 - Between two and five percent of total speed count is egregious speeding 5 - Less than two percent of total speed count is egregious speeding
