 Previous meter reading incorrect
 A corrected gas bill will be sent

Gas Service Was:
 Not Interrupted
 Turned/Left Off for the following Reason, Please call the number above to have your service restored.
 Customer Request
 Internal Access Required

Special Instructions / Information:
 Atmos Energy is performing maintenance of the gas facilities on your property, and has excavated around the gas line. No action is required by you at this time. A crew will return at a later date to complete repairs on this line at no cost to you.
 On or about 5-7-2017 To 6-7-2017 we will be performing maintenance to our facilities. It may be necessary to perform excavation on or around your property and city utility easements. We will attempt to keep any inconvenience to a minimum and leave the landscaping (paving as close to its original state as possible).

Type of work:
 Service Line Installation / Replacement / Repair
 Main Installation / Replacement / Repair

GAS IS ON TEMPORARILY TO AVOID SERVICE INTERRUPTION
 Contact Atmos Energy within 48 hours or go online to atmosenergy.com to have the gas service put in your name.
 If you need to remove or install any gas appliances or smell a gas odor, call Atmos Energy to turn off the gas meter. Do not light a match or operate any electrical appliances or switches. Leave the building and call the number above.

FRONT

AT&T Fiber™
The future of the internet is here!

Our Fiber network is expanding right outside your home.

Over the next several weeks, AT&T crews will be working in your neighborhood. This work sometimes requires access to our network that is located in easements or public right-of-ways. We will always do our best to minimize any disruptions to you. Once the work is complete, we will remedy any disorder caused to your landscape, if necessary.

Should you have any concerns, call us:
