

Sign up today for Cowtown Great American Cleanup

Keep Fort Worth Beautiful is hosting its 40th annual Cowtown Great American Cleanup on Saturday, March 29.

The Cowtown Great American cleanup is the organization's largest annual litter cleanup and beautification event. Last year, approximately 4,900 people volunteered and removed more than 134,200 pounds of litter from the city.

Registration is open. The first 5,000 volunteers to register will receive a free event T-shirt and litter cleanup supplies.

After the cleanup, join KFVB's Earth Party in Rockwood Park. Volunteers will be treated to food, live music and entertainment, vendor promotions, and the popular Trashion Fashion Show.

Recruit your neighbors, friends and family to help clean up our community!

Library's Fun Tracker is your ticket to meaningful activities with friends and family

The Fort Worth Public Library has developed the year-round Fun Tracker program to encourage residents to participate in library programs, explore services and experience cultural events and activities throughout Fort Worth.

Library staff will curate activities and will introduce fresh, new ideas each season. Many curated activities are themed to match a national holiday or monthlong celebrations such as July Fourth or Black History Month.

"We hope Fort Worth residents will experience their city and the library in new ways through the Fun Tracker," said Library Director Midori Clark. "It's all about doing memorable activities that are free, fun and accessible to everyone. I'm looking forward to using the Fun Tracker, too!"

For those who enjoy logging time with good books, the Library will continue to offer the Spring Reading Challenge in March and the Mayor's Summer Reading Challenge from June to August. Registration for these activities will earn Fort Worth Fun Tracker library experience points.

Ready to get started? Learn more here or talk to a staff member at your favorite Fort Worth Public Library.

Considering some smart spring upgrades? You may qualify for new toilets

SMART SAVINGS. RIGHT TO YOU.

SmartFlush Programs

Eligibility:

- 1 Home built before 1994.
- 2 Active FWWater acct for address requesting toilet(s)*.
- 3 Up to 2 FREE toilets allowed over lifetime of property.
- 4 Must pick up toilets before voucher expiration.

APPLY NOW AT:
WWW.SAVEFORTWORTHWATER.ORG

*Renters may provide a signed Landlord Consent form. Homeowners 70+ or income eligible may qualify for SmartFlush CARE.

If your home or business was built before 1994, you may be eligible for up to two free Kohler toilets through Fort Worth's SmartFlush Program. The U.S. Environmental Protection Agency estimates that these high-efficiency toilets can help users save up to 13,000 gallons of water each year per toilet, reducing water waste and utility bills.

With three program options – VOUCHER, CARE, and COMMERCIAL – residents can find the perfect fit for their household. Signing up is simple:

- Log in to the MyH2O portal to apply directly.
- Email the Conservation team at WaterConservation@FortWorthTexas.gov for an application.

• Visit SaveFortWorthWater.org to apply instantly online.

Looking for more ways to conserve water? For eligible customers, homeowners can explore additional water conservation programs like SmartRepair or SmartPressure. These programs make it easier to manage water usage while maintaining a comfortable home.

Don't miss out on these valuable opportunities to improve your home and lower costs.

WORTH KNOWING

The City of Fort Worth Office of Veterans Affairs has launched a free monthly e-newsletter focused on **veterans programs**, events and updates relevant to the Fort Worth veteran community. This valuable resource is designed to help veterans, active military members and their families connect with local resources and stay informed.

FortWorthTexas.gov/subscribe

Get residential collection reminders direct to your mobile device with the Fort Worth **Garbage & Recycling App**. Friendly notifications pop up on your phone each week, and can be particularly helpful during holidays or severe weather days. There is also a Waste Wizard tab where residents can enter various items in the search and determine the proper disposal method for that item.

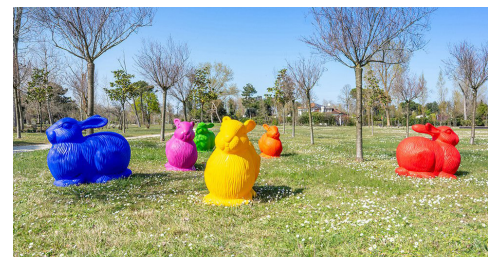

For more information, visit www.fortworthtexas.gov/solidwaste.

Since 2023, the City's Transportation & Public Works (TPW) Department has replaced poor-condition **streetlights, poles and LED streetlights** in Fort Worth neighborhoods. Solar conversions for The Parks of Deer Creek, Northbrook and Historic Carver Heights are complete. The remaining neighborhoods – Como, Stop Six Sunrise Edition, Historic Stop Six, Stop Six Poly Oversight, Brentwood Oak Hills, Oakridge Terrace, Central Meadowbrook, The New Mitchell Boulevard, Wedgewood East, South Hemphill Heights, Overton South, Highland Hills, Westcreek Central, Polytechnic Heights, and Parker Essex Boaz – are scheduled to be complete by October 2026.

WORTH GOING

Discover a whimsical menagerie of **colorful animals** crafted from recycled materials at the Fort Worth Botanic Garden, April 1-Sept. 30. Engage with these playful creations and explore themes of sustainability this spring.
