The City of Fort Worth Brownfields Program is seeking public comment on a document analyzing several options for the cleanup of asbestos containing building materials at the Fort Worth Convention Center (FWCC) Arena, located at 1201 Houston St, Fort Worth, TX 76102. The Analysis of Brownfields Cleanup Alternatives (ABCA) document was prepared by the City of Fort Worth Brownfields Program in collaboration with Terracon Consultants, Inc. and the U.S. Environmental Protection Agency.

The ABCA document addresses the abatement of asbestos containing building materials in the FWCC Arena structure with the goal of cleaning up the property to allow for future redevelopment.

The ABCA document can be reviewed at the following link:
