## PUBLIC SAFETY

Health initiatives control pet populations and promote responsible pet ownership.

## SHELTER SPOTLIGHT

In April, FWACC focused on managing the distemper outbreak, pausing transports and limiting adoptions as a precaution. The month ended on a high note when Tarrant County Sheriff's deputies visited the shelter, spending quality time with pups and posing for adoption photos. By the end of the week, three pets had found their forever homes.

## Compliance Corner

Worth Heights residents are successfully using the new Mobile Tool Shed to mow their overgrown lawns. The program allows residents to easily borrow lawn equipment online, with tools delivered and picked up for free, helping them maintain their properties and avoid costly fines. This initiative supports residents by overcoming barriers like cost and transportation.
