### GENERAL SUMMARY

Directs, manages and oversees the activities, operations and personnel of assigned division. Oversees and coordinates comprehensive economic development programs; implements programs through business and community development activities; and performs a variety of tasks in support of assigned area of responsibility.

### ESSENTIAL DUTIES & RESPONSIBILITIES

*The intent of this job description is to provide a representative summary of the major duties and responsibilities performed by incumbents of this job. Incumbents may be requested to perform job-related tasks other than those specifically presented in this description.*

1. Supervises staff, which includes prioritizing and assigning work; conducting performance evaluations; ensuring staff is trained; ensuring employees follow policies and procedures; maintaining a healthy and safe working environment; and, making hiring, termination, and disciplinary decisions or recommendations.
2. Identifies opportunities for improving service delivery methods and procedures; identifies resource needs; and implements improvements.
3. Participates in the development and implementation of departmental goals, objectives, policies and priorities for each assigned service and/or operational area; and oversees the development and implementation of policies and plans related to departmental services and operations.
4. Provides guidance in the development of comprehensive incentive programs to diversify the City's economy; and coordinates program activities with City officials, local organizations and committees.
5. Oversees the development of new or enhanced resources for central city renewal; works through interdepartmental teams and private sector partners to ensure that the City's strategy for central city redevelopment is carried out; and communicates any recommendations of improvement to appropriate staff or entities.
6. Serves as liaison, negotiator and coordinator between non-profits, developers, private entities and City officials for the purpose of creating collaborations, soliciting funding resources, tax exemption programs, business recruitment, retention and expansion and obtaining overall support and commitment for development and investment projects.

7. Researches, reviews, identifies and recommends successful economic development strategies.
8. Identifies and facilitates the establishment of potential partnerships among employment and training organizations, educational institutions, businesses, community organizations, and economic development agencies to address a variety of labor force issues.
9. Assists in administering assigned contracts; negotiates and prepares requests for proposals or contracts with external professional service providers and vendors; monitors work progress; and ensures adherence to project schedules and budgets.
10. Coordinates special projects, including research of new programs and services, budget analysis and preparation. Prepares and presents reports detailing findings and recommendations.
11. Participate in the development and implementation of departmental goals, objectives, policies and priorities for each assigned service and/or operational area; oversee the development and implementation of policies and plans related to departmental services and operations.
12. Performs other related duties as required.
13. Adheres to assigned work schedule as outlined in the Department and City attendance policies and procedures; ensures all behaviors comply with the City's Personnel Rules and Regulations.
