

**Fort Worth Police Department  
Police Academy Class 152  
Graduation Ceremony  
September 23, 2022**

As a law enforcement officer, my fundamental duty is to serve society, to safeguard lives and property, to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder, and to respect the constitutional rights of all people to liberty, equality, and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful to the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or what is confided to me in my official capacity will be kept secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear of favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession – law enforcement.

## To the Police Candidates of Class #152

Dear Class 152,

I would like to welcome you to the Fort Worth police family! Congratulations on the completion of the first step in your journey to becoming a Fort Worth Police Officer. You have successfully gone through a rigorous and thorough hiring process and completed the demanding physical and mental training of our police academy. Additionally, you and your families have made personal sacrifices over the past several months to finally arrive at this moment. Your achievement required hard work, dedication, and commitment, and your instructors have done everything they can to prepare you for what lies ahead. Your careers have already begun to take shape, however, the type of officer and servant leader you become rests entirely in your hands and with the decisions you make each and every day. You will experience moments of joy and feel the heartache of tragedy and loss, sometimes within the same shift. However, you will never be alone on this journey; you will share it daily with your classmates and your new-found brothers and sisters that wear the Panther badge, your family and friends, and the great citizens of the community we proudly serve.

You have chosen to serve others, and your actions will have a lifelong impact on every person you contact as well as the entire police profession. It is a tremendous responsibility and honor to serve others and uphold the values of this department and this profession, but your biggest responsibility will be maintaining the public's trust while remaining compassionate, fair, and just.

Police work is not a job - it is a calling, and there is perhaps no greater call than serving others. As guardians of public safety, you are tasked with a noble and distinguished mission to place others above yourself and you should not take this mission lightly. Be proud of what you have accomplished but be humble and empathetic to those who need you most in their darkest hours. Above all, remember our Code of Ethics and let them guide you to be an example to all; maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; be constantly mindful to the welfare of others; and honest in thought and deed in both personal and official life.

As you go forward in this noble cause and join our Fort Worth family, be fair, be compassionate, and be safe. Dedicate yourselves to protecting our community and each other, and remember that the future of our department and our profession is in your hands.

Chief Neil Noakes
