- Timeline

Project Overview

The deteriorated 36-inch in diameter sewer main will be rehabilitated – or replaced - in northeast Fort Worth, Haltom City, and the City of Watauga. Arcadia Trail Park is located just north of Basswood Boulevard and east of I-35W.

- Creek Bend Drive is the northern boundary, and is in Fort Worth Council District 4
- Western Creek Lane in Haltom City is the southern boundary
- Rusk Street in Haltom City is the eastern boundary
- And Cable Drive in Fort Worth is the western boundary

Bluebonnet Elementary School is west of the Arcadia Trail Park South Playground and Arcadia Trail Park South. Spring Valley Baptist Church is at the south end, southwest of the project.

Construction may impact the Park Glen neighborhood association.

Arcadia Trail Area - 36-inch in diameter - Sewer Rehabilitation and Replacement

Why are we doing this sewer main project?

This City of Fort Worth Water Department project was derived from the City's condition assessment program, the Interceptor Condition Assessment Program (ICAP).

ICAP is a multi-year plan for inspecting, evaluating and rehabilitating the City's largest diameter sewer pipes so the critical needs are addressed first.

As part of the assessment, it was recommended that this sewer segment be prioritized for replacement.

Frequently Asked Questions

Timeline

The notice to proceed date – for construction to begin - is October 20, 2025.

The contractor will start clearing trees on the south end of the project at Watauga Road.

The pipeline installation will start at the north end of the project, in Fort Worth.

How will we know construction is starting?

Keep an eye on your front door for a door hanger from the City of Fort Worth.

You will receive two door hangers.

The first one says “Construction Starts in 7 days.”

WATER UTILITY IMPROVEMENTS

Construction Starts in 7 Days

WATER AND/OR WASTEWATER improvements are coming to your neighborhood. Crews are scheduled to begin work within the next SEVEN days, weather permitting.

Residents will have access to homes at all times. Water service will only be interrupted for short periods of time and advance notice will be provided as to when this will occur. There is never an interruption to wastewater service.

Residents are asked to keep all vehicles off both sides of the street during the week from 7 a.m. to 6 p.m. Travel and driveway access will be limited at times during construction.

For questions, please call 817-392-8306.

MEJORAMIENTO EN LA UTILIDAD DE AGUAS

Construcción Comienza en 7 días

Mejoramiento a agua y aguas residuales llegan a su vecindario. Los equipos están programados para comenzar a trabajar dentro de los próximos SIETE días, si el tiempo lo permite.

Los residentes tendrán acceso a sus hogares en todo momento. El servicio de agua sólo será interrumpido por períodos cortos del tiempo y el previo aviso será proporcionado en cuanto a cuando esto ocurra. Nunca hay una interrupción de servicio de alcantarillado y saneamiento.

Se pide a los residentes que retiren todos los vehículos desde a ambos lados de la calle durante la semana de 7 a.m. a 6 p.m. Los viajes y el acceso a la cochera estarán limitados a veces durante la construcción.

Para preguntas, por favor llame al 817-392-8306.

How will we know construction is starting?

The second door hanger says “Construction Starts Tomorrow.”

The inspector will include his/her business card and contact information on the door hanger.

WATER UTILITY IMPROVEMENTS

Construction Starts TOMORROW

WATER AND/OR WASTEWATER improvements are coming to your neighborhood. Crews are scheduled to begin work **TOMORROW**, weather permitting.

Residents will have access to homes. Water service will only be interrupted for short periods of time and advance notice will be provided as to when this will occur.

Residents are asked to keep all vehicles off both sides of the street during the week from 7 a.m. to 6 p.m. Travel and driveway access will be limited at times during construction.

For questions, please call 817-392-8306.

MEJORAMIENTO EN LA UTILIDAD DE AGUAS

La construcción empieza MAÑANA

Mejoramiento a agua y aguas residuales llegan a su vecindario. Los equipos están programados para comenzar a trabajar **MAÑANA**, si el tiempo lo permite.

Los residentes tendrán acceso a sus hogares en todo momento. El servicio de agua sólo será interrumpido por períodos cortos del tiempo y el previo aviso será proporcionado en cuanto a cuando esto ocurra. Nunca hay una interrupción de servicio de alcantarillado y saneamiento.

Se pide a los residentes que retiren todos los vehículos desde a ambos lados de la calle durante la semana de 7 a.m. a 6 p.m. Los viajes y el acceso a la cochera estarán limitados a veces durante la construcción.

Para preguntas, por favor llame al 817-392-8306.

How will traffic be coordinated during construction?

The majority of the project is within Arcadia Trail Park, behind the residential areas.

The impact on traffic should be minimal since most of the project is within the park. There may be some construction traffic in the surrounding area as the contractor accesses the project site.

Access to the trails, during construction, will be restricted as part of the trail will be closed.

The total duration of the project is 360 calendar days

Will our sewer service be disrupted during the main replacement?

We do not anticipate any service interruptions to customers.

Bypass pumping should provide continuous sewer flow during the project.

What are the construction hours?

The hours of construction are 7 am to 6 pm, Monday-Friday . . .

And, if requested by the contractor, 9 am to 4 pm - or 5 pm - on Saturdays.

How do I report an emergency or non-emergency?

Emergencies

Water main breaks, sewer backups - 24 hours a day

817-392-4477, Select Option 1

Water Call Center (non-emergency)

- 7 am to 7 pm Monday through Friday
- 817-392-4477
- Closed City holidays

Download the MyFW app from the App Store or Google Play. You can report sewer overflows, leaks and water main breaks, missing or broken meter lids, water theft, water violations, no water service, water pressure issues and other sewer concerns.

Again, your project team includes:

Project Manager: Parvathi. S

- 817-392-7803
- Parvathi.SreekumaranUnnithan@FortWorthTexas.gov

Inspector: Pedro Hernandez

- 682-269-5735
- Pedro.Hernandez@FortWorthTexas.gov

Again, your project team includes:

Contractor: Circle C Construction Company

Consultant: Brown and Gay Engineers Inc. (BGE)

Where can I get more information?

- Go to www.FortWorthTexas.gov and type in the project number – 101339 - in the search bar on the home page. Arcadia Trail Area 36-inch Diameter Sewer Rehabilitation & Replacement will pop up.
- To get project page updates, scroll down to the bottom of the project page and click on “Subscribe to this page.”
- The link to a PDF of this PowerPoint presentation will be posted to this project page.
