

Autumn Drive Water and Sewer Improvements

Virtual WebEx community construction meeting

Thursday, February 29, 2024, 6 p.m.

Agenda

- Introductions
- Project Overview
- Project Area
- Frequently Asked Questions
- Timeline

Your project team includes:

Project Manager: Dena Johnson, City of Fort Worth Water

- 817-392-7866; Dena.Johnson@FortWorthTexas.gov

Inspector: Fabian Diaz

- 817-223-2248; Fabian.Diaz-Aguinaga@FortWorthTexas.gov

Your project team includes:

Contractor: Circle C Construction

- Keegan Jonkers

Engineering Design Consultant: RLG

- Brent Lewis

Project Overview

This is in an area bound by:

- Autumn Drive/Autumn Court to the north
- Bellaire Circle to the east
- Winslow Drive and Overton Park to the south and,
- Overton Park Drive East to the west.

Pictured is Autumn Court at Autumn Drive

Water Main and Sewer Main Replacements

Water mains, ranging in diameter from 4-inch in diameter mains to 10-inch in diameter mains, will be replaced in Autumn Drive and Autumn Court.

Sewer mains will also be replaced in Autumn Drive from the south cul-de-sac to Autumn Court

Pictured is Autumn Court

Sewer Main Replacements

- Easement north of Ranch View Road from 660 feet north of the Ranch View Road/Autumn Drive intersection, then to the west 180 feet (sewer)
- Easement west of Autumn Drive from 970 feet north and 180 feet west of the Ranch View Road/Autumn Drive intersection, then to the north 283 feet (sewer)

These easements are located between Autumn Drive and Overton Park Drive – pictured is Overton Park Drive

Project Overview

This Fort Worth Water capital improvement project is in Fort Worth Council District 3.

Construction will impact traffic for customers in the:

- Overton Park neighborhood association
- Tanglewood neighborhood association
- And the Westcliff West neighborhood association.

Landmarks

The Fort Worth Branch of the Trinity River is to the west and south of the Autumn Drive.

Pictured is Autumn Court at Autumn Drive

Why is the City doing this project?

Fort Worth Water prioritizes replacing water and sewer lines that have a high risk of failure. This is based on available data which includes:

- Water main break history
- Leak history
- CCTV (closed circuit TV) inspection
- Age of the line
- Line material
- Lead service lines
- Cast iron lines

Which priority is specific to this capital project?

This project was created as part of the water cast iron pipe initiative to reduce the amount of water main breaks.

Cast iron water pipes will be replaced in:

- Autumn Drive
- Autumn Court

Which priority is specific to this project?

Fort Worth Water management has committed to replacing a minimum of 20 miles of cast iron pipe every year.

Currently, there are more than 110 miles of cast iron mains at various stages of design for replacement in fiscal year 2024 and beyond.

Will there be lane closures during construction?

One traffic lane will be closed when the mains are being removed and replaced and when the trench is being repaired.

Signs will be posted to alert motorists.

Will the contractor need access to our property?

This construction is in the public right-of-way and/or in utility easements.

If Fort Worth Water needs access to your property we will contact you.

(Meter box is pictured)

What happens if my property is damaged?

The contractor will take pictures and video of the property before breaking ground.

We also encourage property owners to take pictures and video (with a date stamp) of their property prior to construction.

Damage resulting from the contractor's activities during construction is the responsibility of the contractor.

Will construction affect my irrigation system?

The contractor has to cap irrigation lines before construction starts.

The contractor will ask property owners to turn on their irrigation systems so the sprinkler heads can be located and flagged.

The contractor will replace capped or damaged irrigation systems if they were damaged as a result of construction.

What are the construction hours?

The hours of construction are 7 am to 6 pm, Monday-Friday and, if requested by the contractor, 9 am to 4 pm or 5 pm on Saturdays.

Contractors will not work on City holidays, which includes the following . . .

- | | |
|-------------------------------------|------------------|
| Thanksgiving/Day after Thanksgiving | Memorial Day |
| Christmas | Juneteenth |
| New Year's Day | Independence Day |
| Martin Luther King Jr Day | And, Labor Day |

Will we have access to driveways during construction?

The inspector and the contractor will work with Fort Worth Water customers who need driveway access during active construction hours.

Again, those hours are:

- 7 am to 6 pm, Monday-Friday
- And, if requested by the contractor, 9 am to 4 pm or 5 pm on Saturdays

Will the city's trash truck be able to pick up my trash and recycling during construction?

If your side of the street is closed on your scheduled trash collection day, the contractor will take your trash and recycling carts to the opposite side of the street so the trash collection vehicle can pick it up.

How will we know construction is starting?

If you live in an area impacted by the construction keep an eye on your front door for a door hanger from the City of Fort Worth.

You will receive two door hangers.

The first one says
“Construction Starts in 7 days.”

WATER UTILITY IMPROVEMENTS

Construction Starts in 7 Days

WATER AND/OR WASTEWATER improvements are coming to your neighborhood. Crews are scheduled to begin work within the next SEVEN days, weather permitting.

Residents will have access to homes at all times. Water service will only be interrupted for short periods of time and advance notice will be provided as to when this will occur. There is never an interruption to wastewater service.

Residents are asked to keep all vehicles off both sides of the street during the week from 7 a.m. to 6 p.m. Travel and driveway access will be limited at times during construction.

For questions, please call 817-392-8306.

MEJORAMIENTO EN LA UTILIDAD DE AGUAS

Construcción Comienza en 7 días

Mejoramiento a agua y aguas residuales llegan a su vecindario. Los equipos están programados para comenzar a trabajar dentro de los próximos SIETE días, si el tiempo lo permite.

Los residentes tendrán acceso a sus hogares en todo momento. El servicio de agua sólo será interrumpido por períodos cortos del tiempo y el previo aviso será proporcionado en cuanto a cuando esto ocurra. Nunca hay una interrupción de servicio de alcantarillado y saneamiento.

Se pide a los residentes que retiren todos los vehículos desde a ambos lados de la calle durante la semana de 7 a.m. a 6 p.m. Los viajes y el acceso a la cochera estarán limitados a veces durante la construcción.

Para preguntas, por favor llame al 817-392-8306.

How will we know construction is starting?

The second door hanger says “Construction Starts Tomorrow.”

The inspector will include his/her business card and contact information on the door hanger.

WATER UTILITY IMPROVEMENTS

Construction Starts TOMORROW

WATER AND/OR WASTEWATER improvements are coming to your neighborhood. Crews are scheduled to begin work **TOMORROW**, weather permitting.

Residents will have access to homes. Water service will only be interrupted for short periods of time and advance notice will be provided as to when this will occur.

Residents are asked to keep all vehicles off both sides of the street during the week from 7 a.m. to 6 p.m. Travel and driveway access will be limited at times during construction.

For questions, please call 817-392-8306.

MEJORAMIENTO EN LA UTILIDAD DE AGUAS

La construcción empieza MAÑANA

Mejoramiento a agua y aguas residuales llegan a su vecindario. Los equipos están programados para comenzar a trabajar **MAÑANA**, si el tiempo lo permite.

Los residentes tendrán acceso a sus hogares en todo momento. El servicio de agua sólo será interrumpido por períodos cortos del tiempo y el previo aviso será proporcionado en cuanto a cuando esto ocurra. Nunca hay una interrupción de servicio de alcantarillado y saneamiento.

Se pide a los residentes que retiren todos los vehículos desde a ambos lados de la calle durante la semana de 7 a.m. a 6 p.m. Los viajes y el acceso a la cochera estarán limitados a veces durante la construcción.

Para preguntas, por favor llame al 817-392-8306.

Timeline

This is the construction phase.

The notice to proceed date is April 8, 2024. The contractor will start on the north end at Autumn Court.

The current projected end date for this Fort Worth Water capital improvement project is September 2024. That date may change as construction gets underway.

Where can I get more information?

- Go to www.FortWorthTexas.gov and type the project number – 102785 or 102785-2 (or Autumn Drive) – in the search bar on the home page. Autumn Drive Water and Sewer Improvements will pop up.
- To get project page updates, scroll down to the bottom of the project page and click on “Subscribe to this Page.”
- The project map and PowerPoint will be linked to this project page.

How do I report an emergency or non-emergency?

Emergencies

Water main breaks, sewer backups - 24 hours a day

817-392-4477, Select Option 1

Water Call Center (non-emergency)

- 7 am to 7 pm Monday through Friday
- 817-392-4477
- Closed City holidays

Download the MyFW app from the App Store or Google Play. You can report sewer overflows, leaks and water main breaks, missing or broken meter lids, water theft, water violations, no water service, water pressure issues and other sewer concerns.

Your project team includes:

Project Manager: Dena Johnson, City of Fort Worth Water

- 817-392-7866; Dena.Johnson@FortWorthTexas.gov

Inspector: Fabian Diaz

- 817-223-2248; Fabian.Diaz-Aguinaga@FortWorthTexas.gov

Your project team includes:

Contractor:

- Circle C Construction

Engineering Design Consultant: RLG

- Brent Lewis

Thank you
