The Fort Worth Water Department is currently designing the Walnut Creek Sewer Extension capital improvement project.

The sanitary sewer extension will extend from the Aledo Road/FM 2871 intersection westerly to the east boundary line of the Walsh Ranch property.

Future development will be possible north and south of Aledo Road and west of FM 2871.

This project is located in the City of Fort Worth extraterritorial jurisdiction and is surrounded by Fort Worth Council District 3 and the City of Benbrook

The project manager is Suby Varughese. If you have questions, please contact him at 817-392-7803 or email Suby. Varughese at Suby.Varughese@FortWorthTexas.gov.
