

## **Hailable Vehicle for Hire Rates and Approximate Fares**

### **Rates**

- \$2.25 Initial drop
- \$ .20 Each additional 1/9 mile
- \$2.00 Extra passenger charge
- \$ .20 Each additional 1/9 mile for traffic delay

### **Gasoline surcharge:**

A gasoline surcharge may be added to the fare when the average weekly retail price of regular grade gasoline in the state of Texas exceeds \$2.00 per gallon as determined by the United States Department of Energy, Energy Information Administration.

The gasoline surcharge will be calculated in \$0.50 increments and applied per trip. For every \$0.50 increase or decrease in the average price per gallon of gasoline above the \$2.00 threshold, the per trip surcharge fee will be adjusted \$0.50 up or down to reflect the change in the average gasoline price as shown by the following chart:

AVERAGE PRICE OF GASOLINE (PER GALLON)	AMOUNT OF SURCHARGE (PER TRIP)
\$2.00 or less	No surcharge
\$2.01 to \$2.50	\$0.50
\$2.51 to \$3.00	\$1.00
\$3.01 to \$3.50	\$1.50
Each additional \$0.50 increase in the average per gallon price of gasoline	Additional \$0.50 per trip

A flat rate of \$40.00 may be charged for a trip originating in the Central Business District and terminating at the Dallas-Fort Worth International Airport, provided that such flat rate is not in excess of the maximum meter rate.
