Citywide Events

The Fort Worth Public Library's Community Outreach team is on-site to discuss library services, help you get a library card, and highlight current reading promotions. Stop by and talk all things library related!

Services

If your organization is having an event, our team is available to present, provide library card signups, advertise upcoming library events, and give away library swag!

Partnerships

Do you have an idea for a partnership with the library? Would you like the Community Outreach Team to attend your event? Contact us to see how we can help you Learn. Dream. Do!
