### **HEARING PROCESS:**

The Planning and Development Department is required to mail a hearing notice to all property owners within 300 feet of the application site, at least ten days before the hearing date. The applicant, or authorized agent, must be present at the hearing to present the appeal. If not, the Board may DENY the case.

To watch the Hearings: <a href="http://www.fortworthtexas.gov/">http://www.fortworthtexas.gov/</a>, click on "Watch online Now" & "Board of Adjustment video."

Applicants are responsible for the presentation of their case before the Board and to provide support information including, but not limited to the following items:

- Surrounding land use supporting the request.
- Description of the "Hardship(s)" that necessitate the request. (See Zoning Ordinance No. 13896, Sect. 3.403.1-5)
- Reason(s) for appearing before the Board (i.e. code violation, citizen complaint, Building Inspector noted permit violation, etc.)
- Reasons why the Board should grant the applicant's request.

# CRITERIA REGULATING VARIANCE REQUESTS:

Sect. 3.403 of the Zoning Ordinance establishes the evaluation criteria for consideration by the Board, when reviewing and deciding upon requested variances to the Zoning Ordinance. The applicant is therefore encouraged to respond to these criteria, upon addressing the Board:

- 1. Will literal enforcement of the ordinance result in a "hardship" or "practical difficulty"?
- 2. Is the "hardship" self-imposed?
- 3. Is the condition unique to the property, or is it common to other properties in the area?
- 4. Will the requested variance injure the adjacent property?
- 5. Will the requested variance be contrary to orderly development in the area?

### WITHDRAWAL OF CASE:

The applicant may withdraw their case without penalty, before public notice has been filed. A request for withdrawal shall be submitted in writing. Upon receipt, all proceedings will terminate.

If the application is withdrawn after public notice advertisement, no re-application of like nature will be accepted within a 24-month period. If "Denied Without Prejudice" and the original applicant finds substantial or significant changes have occurred in the project during the prescribed 24-month waiting period, then a written re-application may be submitted, with a waiver requested relaxing all or part of the 24-month period.

### **BOARD DECISION:**

At the conclusion of the public hearing, the Board will render a decision to: *approve*, *approve with conditions, continue, deny, or deny without prejudice.* \*Applicants with approved variances are allowed 180 days to obtain a building permit.
\*(A one-time extension may be obtained upon written request to the Senior Planner.)

### APPEAL OF DECISION:

Any person aggrieved by a decision of the Board may, within **ten (10) days** following the date the Board's Decision is filed for record in the City Planning and Development Department, submit a verified petition to any court of law having legal jurisdiction, setting forth that the Board's decision is illegal, either in whole or in part, and specifying the grounds of the illegality.

# OTHER REGULATORY CONSIDERATIONS:

Decisions of the Board do not replace approvals required by any other agency or review body. Approval of a request does not negate any private legal recorded Restrictive Deed Covenants and Restrictions that may affect the property. The City does not enforce these private restrictions.
