

Update Form - Voluntary Neighborhood Organization

Neighborhood Associations, Alliances, Redevelopment Orgs, etc.

PURPOSE. This Update Form is for *voluntary* organizations that are already registered with the City. To remain registered with the City and active in our Neighborhood Database, an update must be submitted annually. However, it should also be submitted as soon as possible after elections or any time contacts change, to make sure you are receiving important City information. Failure to submit an annual update will result in the deactivation of your registered status as per the Registration Policy.

To update information about a *mandatory* association (HOA, POA, etc.) please return to the website and use the Mandatory Neighborhood Organizations form.

If you are looking to register an organization for the first time, please contact us at engagement@fortworthtexas.gov or 817-392-6201 to discuss our Registration Policy and how to become registered.
